We've Come A Long Way In Fashions And Accessories With Class And Style

Turn to the left. Fashions. Turn to the right. Fashions. Everywhere you look, there is something new to see. There is a style to fit everyone. How about the "flashdance" look, you know that one (torn sweatshirts and all). Or how about the khakis and shades that are such a familar sight to most of us? Then we have the mod look. But the most favorite and well-known style has been around for ages. It has withstood the test of time and the fads of years gone by. What is this fashion? Hey, it is that "oh so familar" jeans and a t-shirt look. This fashion has been around for the longest and will be around in the future. No one knows what the future holds for fashions, but it will be something to look forward to.

There are other aspects of fashions that don't include clothes. Aspects so unique they cannot really be classified. Just look around, you will find something new and creative: leg warmers worn on arms, bolts in ears, bicycle chains and necklaces used as earrings, and if you look very closely at the hands of some of our far-out students, you will see a veritable rainbow of colors and designs on their nails. And how about shoes? They add height, color, and pizazz to one's entire self. Without them, a wardrobe would not be complete.

If a style has not been made to suit your taste, make something up for yourself.

Clockwise: 1) Top siders and nikes could always be seen together at the Ranch. 2) Vivian Caldera's double earrings were as weird as you could get. 3) Purses and Ziggy were also a part of El Rancho's campus. 4) Mike Perez, Alfonso Negreros, Ricky Garcia, Paul Alvarez, and Ruben Salazar show off their firme clothes. 5) Chris Galindo's earring was a part of her fashionable wardrobe. 6) Multicolor vans showed up at El Rancho too.

Fashions At E.R.

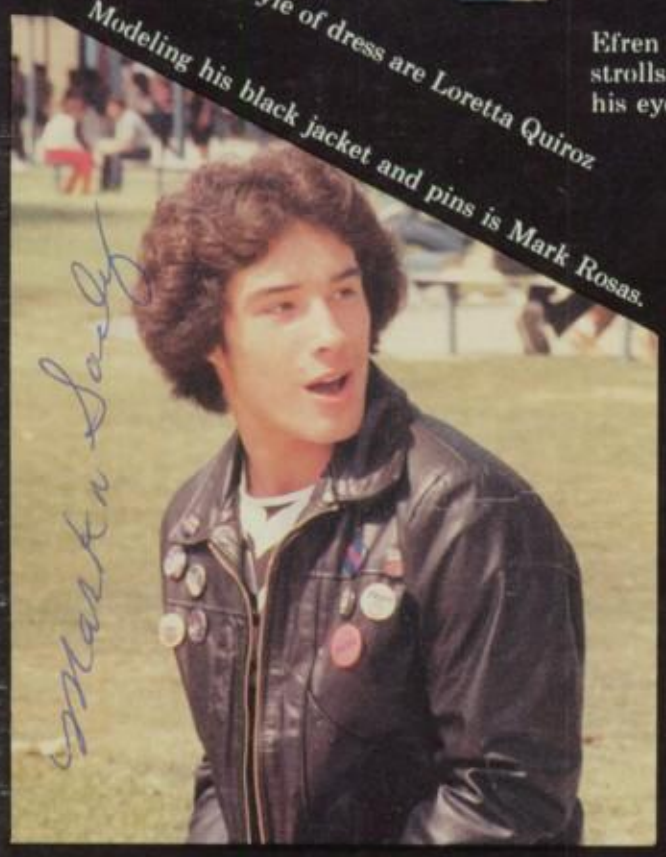
Showing off their mod style of dress are Loretta Quiroz and Sal Aguilera.

Efren Rodriguez strolls to class with his eye-catching shirt.

Def Leppard has a true fan in Francisco Barillas.

Mickey Esparza drinks her orange juice, that just happens to match her orange culotte.

Mike Rodriguez just loves to get his pinky nail painted black by Susie Estrada.



Modeling his black jacket and pins is Mark Rosas.

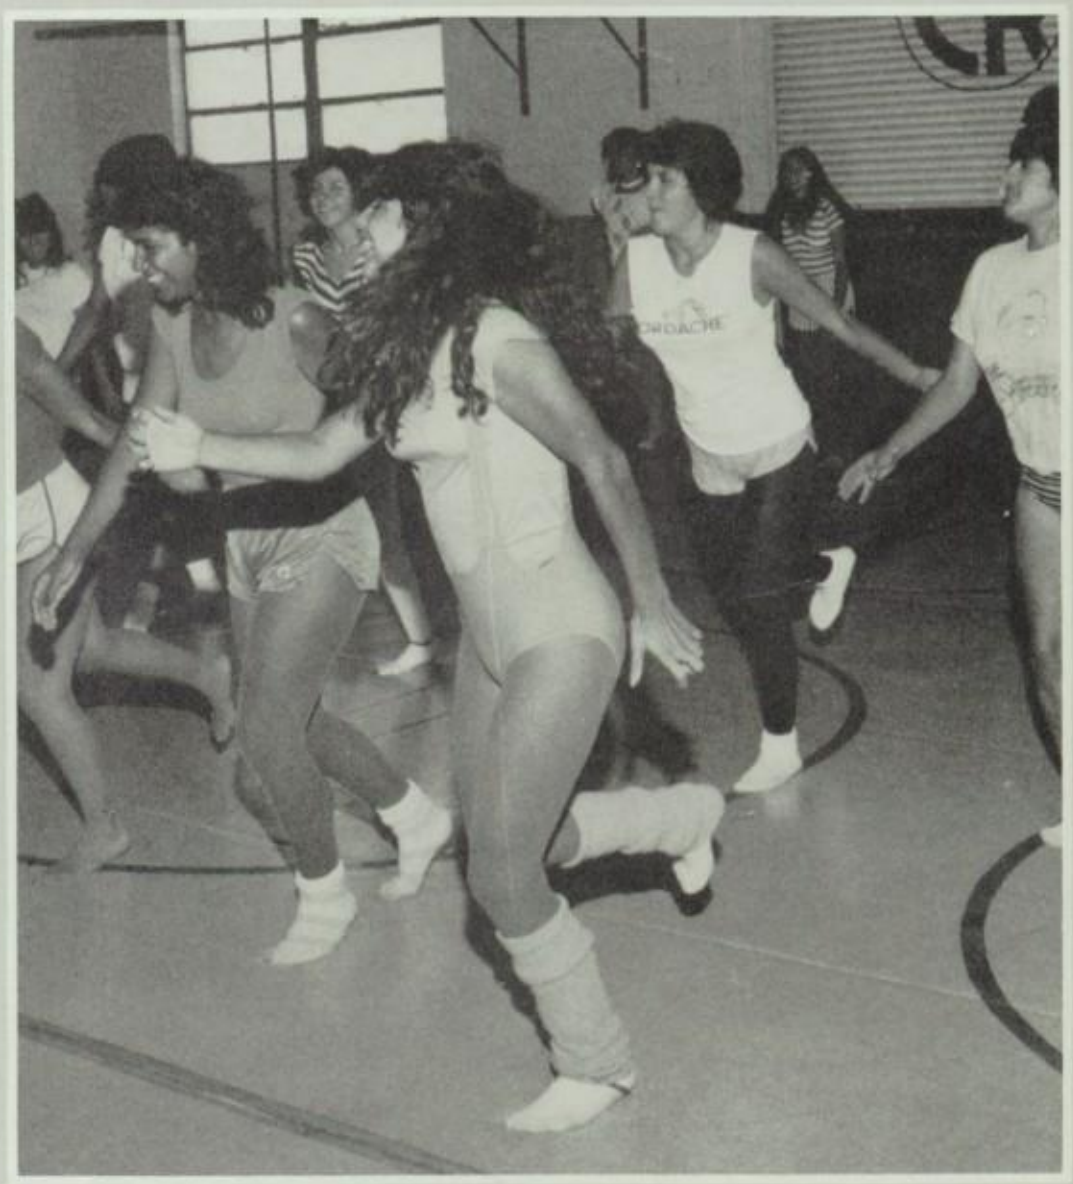
The "Flashdance" look is being modeled by Danielle Rodriguez and Gina Lugo.

Loretta Quiroz and Christina Galindo go mod all the way.

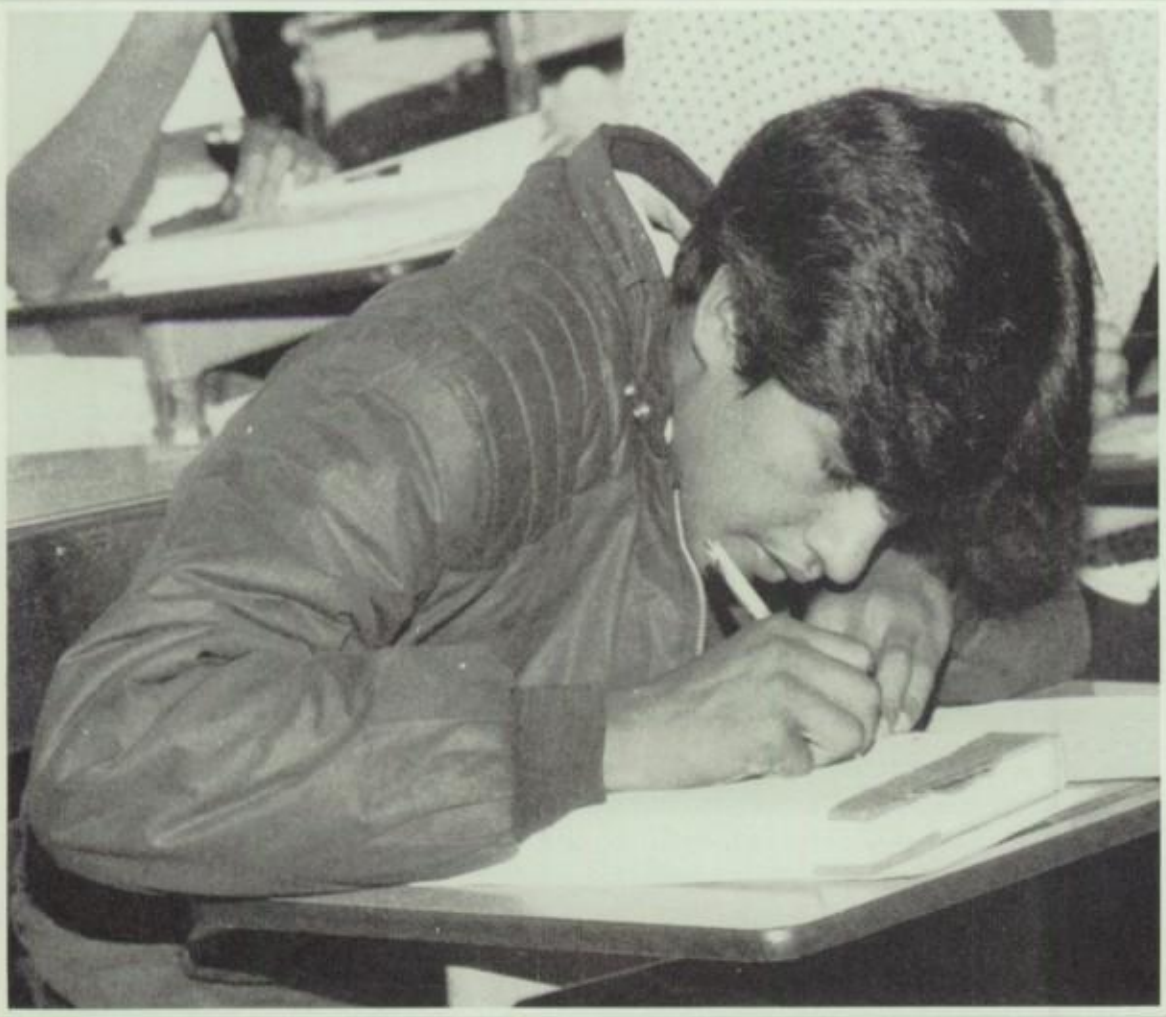
We've Come A Long Way

There is something for everyone here at El Rancho. For the academically inclined, there are the Team classes, Higher mathematics, and elevated Science courses. Or if you just wanted to graduate from El Rancho, there were courses to fill those requirements, too. If studying isn't your trip, then maybe athletics are. Starting with football and ending with track, the students here at the Ranch are endrenched with all different sorts of athletics. Both kinds of people (those who love to watch and those who love to play) can get involved in the games. Last, but not least, are the activities held by El Rancho. We have activities to suit every person's taste. If you want people to know you have lungs, join in on a pep rally. Always wanted to be a cheerleader or football player, but were afraid of kidding from your friends? Join Powder Puff; it's the greatest way to live your dreams or get even with your Junior or Senior foes.

Whether in the area of Academics, Athletics, or Activities, people can really get into the spirit of El Rancho. Each students has enough to keep him/her busy. The three A's are all around us and provide a complimentary blend for everyone.



Above right: Michelle Ruiz and Gracie Vasquez watch the other relayers run their course. To the right: Aerobic classes kept our students in shape. Above: Mike Busch and Maria Ramirez make great use of the library.
Opposite page, clockwise: Tina Dominguez moves her fingers faster than the speed of light. Yvette Sancedo concentrates on hitting the birdie. Francisco Barillas shows all the right stuff. Timmy Northup really enjoys hitting the books.



In Academics, Athletics, And Activities

We've Come A Long Way

We've come a long way from the horse-and-buggy transportation of so long ago. Nowadays, there are numerous styles of cars. Styles to suit everyone's taste. Anything from bugs to vans to lowriders, even your mom's old car, anything that runs really, can be found here at El Rancho.

And how about the accessories that go along with cars. No longer do you have to stick with the standard features of a car. Your steering wheel can become a chain, or your cartop, a sunroof. For cars of the lowrider gender, you have such fantastic features as hydraulic lifts, fur-lined seats, y firme paint jobs.

But, hey, let's not forget those means of transportation that aren't cars. There's the bus, bicycles, walking and those bad motorcycles. Motorcycles need more than a mere mention in a paragraph, though. These two-wheeled speed demons are the epitome of the carefree and easy life. And they're perfectly built for the transportation of a loving couple.

There are so many ways to get around nowadays, that you shouldn't have any trouble trying to find a way to get where you're going.

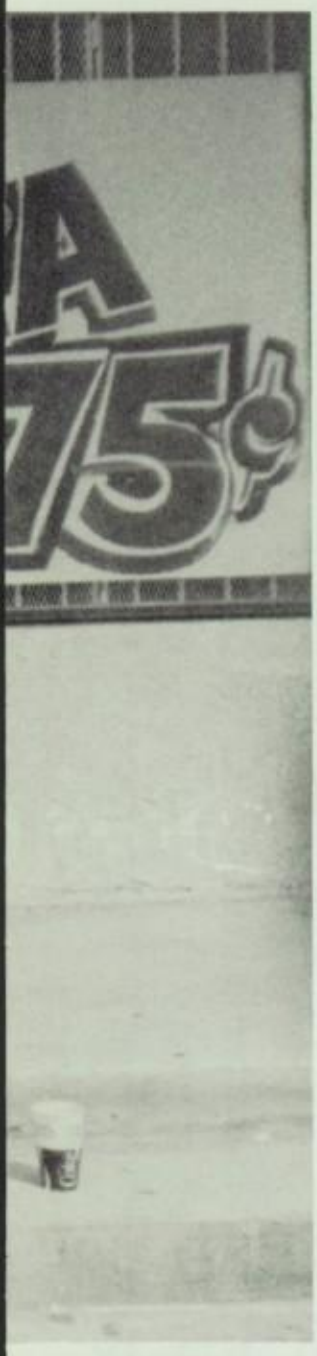
We've Come A Long Way

Where do El Rancho high students hangout? Where can they be found? What do they do when school is out? There are a variety of places an ER student can be found. Most students hang around in the quad talking and joking with friends. The bookworms can be found in the library reading away or studying for a big exam. Athletes can be found on the football field, track, baseball diamond or gym practicing for upcoming competitions. Active club members can be found in meetings discussing their social events. Pepsters, Banners, Drill Team, and Band members can be found practicing many long hours so they can represent our school with pride and dignity.

Our campus was not the only hangout place. Students also visited places such as McDonalds, Carls' Jr., Winchelle's, Aida's and of course the famous Mario's Tacos. For the modern day students, arcades were the big thing. One popular spot was the Rainbow Arcade, students, before going home and doing homework, would stop by and play a little centipede or pac-man. No matter where the favorite spot was, El Rancho students could be found everywhere.

In Our Hangout Preferences



Last hangout

Top Left: Beck Longoria enjoys a peaceful lunch at Mario's.
Bottom Left: Mario's restaurant was often visited by Marlene Moralez and Arlene Chavez.
Directly Above: Vivian Caldera and Michelle Medina stop by the Rainbow Arcade to play a little Pac-Man.
Opposite Page-Top: Eddie Herrera, J.R. Figueroa, and Memo Pacheco munch out on pizza at Aida's.
Lower Left: Michelle Medina plays a quick game of "Scramble."
Lower Right: Scarfing on a brownie is Lisa Sanchez.

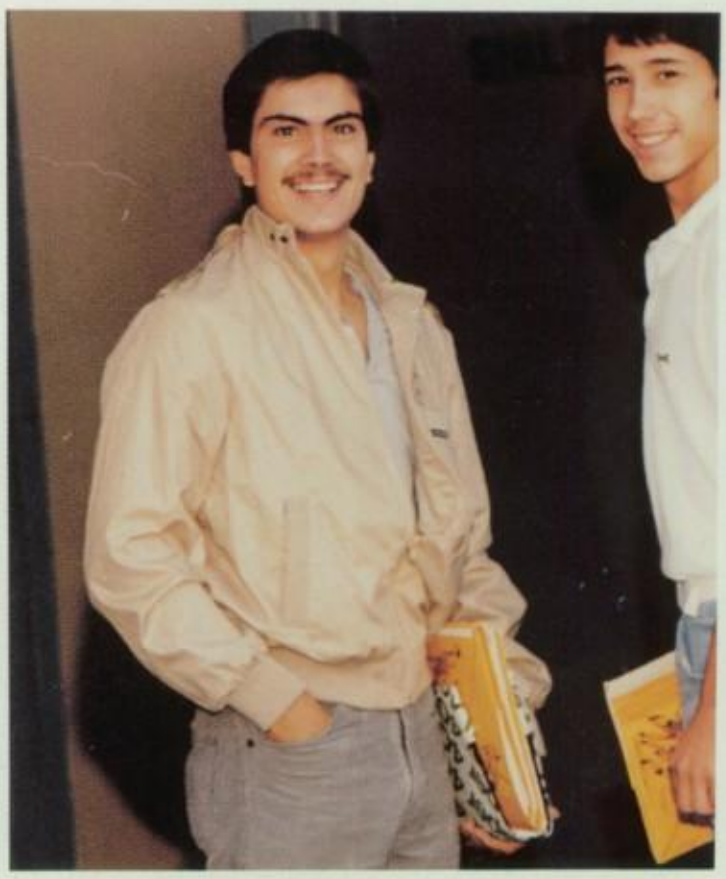
Friday Hypes

El Rancho students display their energy and enthusiasm at a Friday pep rally.

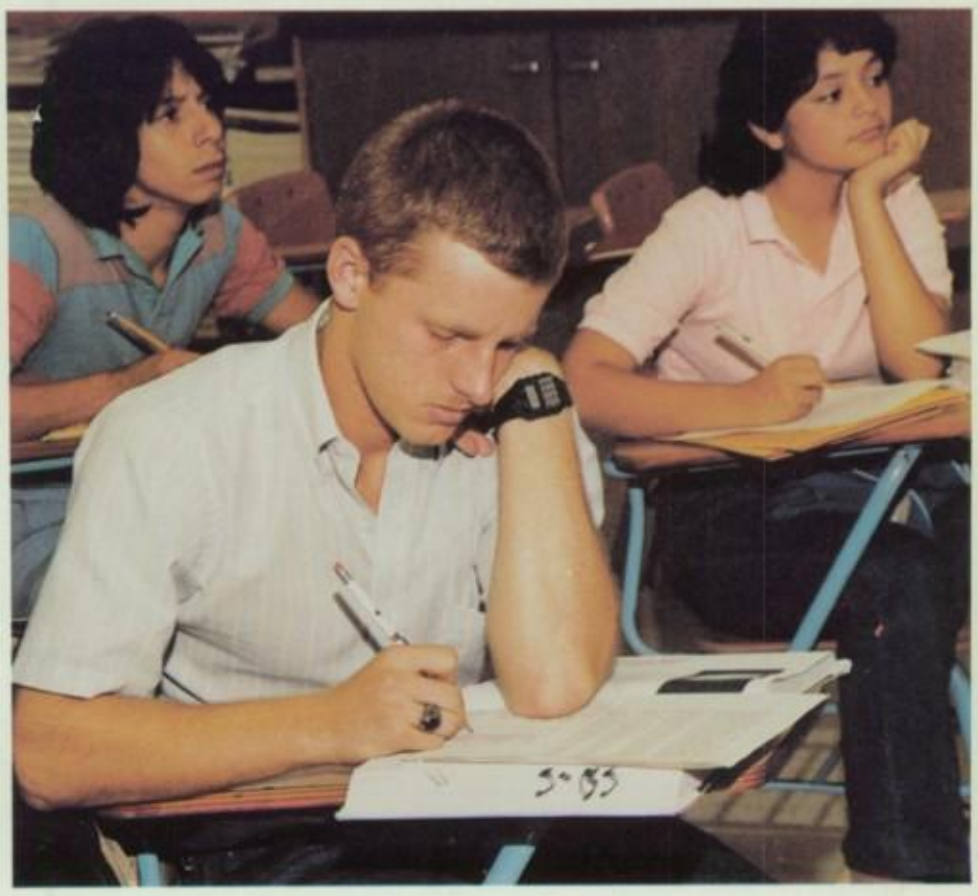


Mark Martinez waits for his friends so he can leave school.

Oh those Monday Blues! How we dread them. Friday seems so far away. We wonder how we will ever manage. Mondays seem to be the longest day of the week. Tests are returned on Mondays. Mondays are usually the days we have long term papers or essays due and we simply just did not have time over the weekend to finish. Mondays are definitely not the best days of the week.

On the other hand those fantastic Friday hypes are always such a relief to us. Friday seems to be the day made for happiness. There is a pep rally to look forward to, and then later on at night, the football game or another athletic event depending on the season. Fridays are just the opposite of Mondays. We rarely get homework and we never have a test passed back to us to ruin our well-deserved weekend. Fridays are definitely the best day of the week because of the peace and relaxation we can all enjoy.

Those Monday Blues hit E.R. students during second period.



Cory Burk wonders how he will ever get through the week.

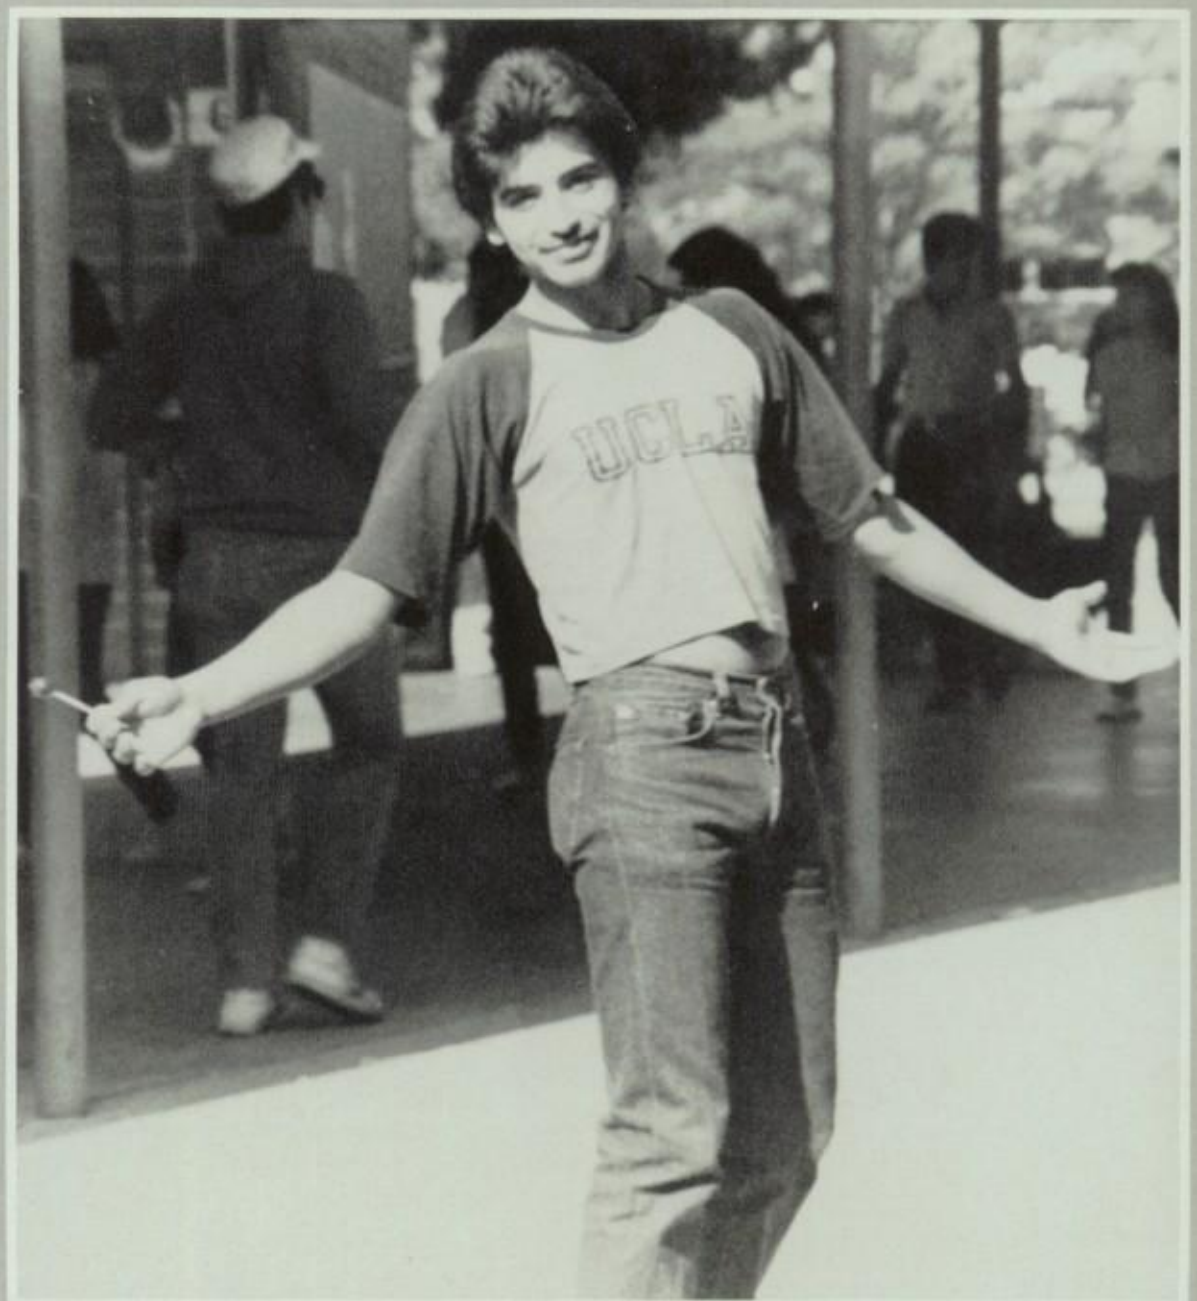
Kathy Perea actually does enjoy sign painting on Mondays' even though she has those Monday Blues.

That Turn Into Monday Blues.

We've Come A Long Way . . .

Ana Marquez is not just another face in the crowd.

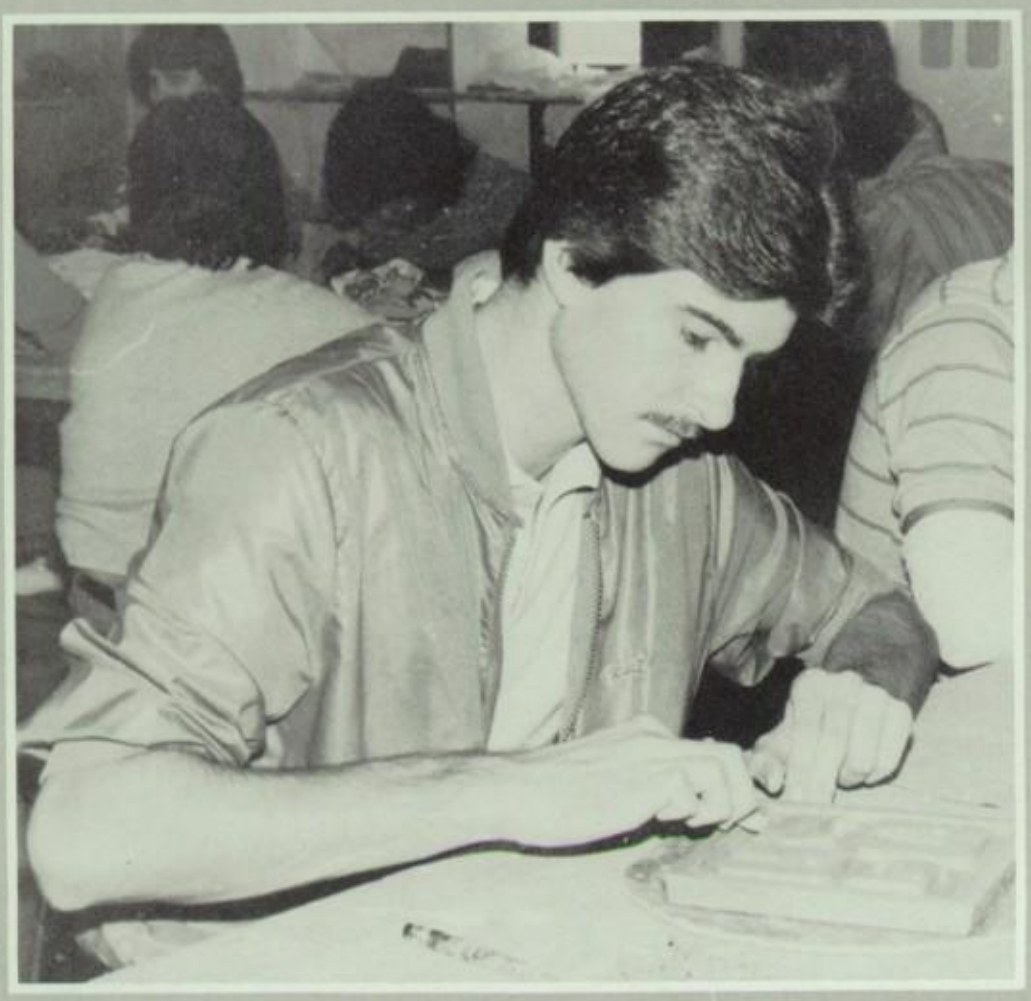
Ray Rivera and Lisa Sanchez take the pause that refreshes on the way to class.



David Cole knows he is a Senior stud.

Lilia Carreon shows just how tough she is.

Haven't We, Seniors?



Mike Antal shows his creative talent by making a plate in printing shop.

Lilian's Island was also visited by Sandy Calderon.

The realistic eagle was created by Anna Becerra.

We've Come A Long Way In . . .

Above-The Pepsters cheer our team on to the field. Left-Emma Gomez displays Drill Team pride during halftime. Directly Above-Andrea Angulo, Sandy Takatsuka, and Velia Garcia are just three of the Banner Carriers who prepare for their performance.

The Don Label

Well, my designer is...

Calvin Klein, Halston, Jordache, Dior, Sergio Valente, and Dons!

There is a myriad of designer names floating around this school of ours. But there is one you won't see on Rodeo Drive or 5th Avenue. It only makes its renowned appearances on Fridays. It is the Don Designer Label, and when you see it, you know why it is so respected.

Rounding every corner, the ER brand makes a statement whether it represents a club, athletic team, or a pep group. It is an honor to wear the Blue and Grey. Students show their pride as they hold their heads up high.

Above left-Oscar Gonzales, Willie Martinez, and Raul Montalvo stand at attention. Middle left-Fans stand respectfully as ROTC Color Guard present the colors. Left-Our varsity volleyball team is well represented by Giovanni Miraya, Jackie Navarette, and Carol Silva. Above-Clair Leveloff and Val Moyes discuss the upcoming halftime routine for the Tall Flags.

SENIORS

We've Come A Long Way

My Fellow Seniors,

Well, we did it! We actually made it through 12 (13 if you want to count the traumatic experience of kindergarten) years. How time has flown by so quickly. As our graduation date draws near, the memories of our three years at the Ranch begin to flood back. But nothing can compare to the memory of my term as Senior Class President. There is so much the Senior class accomplished. Your confidence has been a great inspiration to me. Even if we had periodic setbacks, I always made sure we'd bounce back, stronger than before.

As months went by, I noticed how the class matured into young responsible adults. We showed the underclassmen what Blue Pride and respect toward our alma mater meant to us. I also witnessed the unification of the class at sign paintings and pep rallies, powder puff, and debates. The canned food drive was particularly successful for us. I was so proud of the positive way in which we responded to Project Clifford.

Many thanks to our class advisors, Mrs. Reyna and Mr. Wlasick. Mostly, I wish you Seniors good luck and continued success. And remember, GO DONS!

What is the difference between a "Sophisticated Senior" and a "Frenzied Freshman?" Only experience. That so called "Sophisticated Senior" went through everything everyone else did. The new kids on the block (i.e. freshmen and sophomores) look up to these people because of the wisdom and experience the Seniors have gained from their worldly experiences here at the Ranch.

A Senior knows the way to *all* of his classes. He also knows where the open restrooms are located. He knows when not to eat in the cafeteria and what not to buy in the snack shack. He knows which security officers can be kidded, and which teachers will swallow his lame excuse of why he was absent. No question about it, experience is the key.

Come One, Come All To Lillian's Island

C'mon Boys and Girls, hop on a charter to a tiny desert isle with Lilian and the Seniors. A new trademark for the class of 84 was born. Where did this island come from? How was it formed?

Located in the El Rancho sea, Lillian's Island has emerged as the number one spot favored by the sophisticated. The people who attended the Parent's Pep Rally visited the isle, and a good time was had by all.

Wouldn't you feel honored at being chosen El Rancho's Homecoming Queen? Imagine the exaltation a Senior girl feels at being crowned queen. For Elinore Rodriguez, this dream became a reality. Three years ago she was crowned Sophomore princess and last year she was a junior nominee. This year has been a special culmination of the past three. Her Senior year has been made extra special. It was such a beautiful moment for her when Debby Eisenbeiss placed the crown upon Elinore's head. There have been special moments for many Seniors this year. This photo captured just one of them.

Good Times

Laughter-n. The act or sound of laughing. Happiness, amusement expressed by or as if by laughing.
Fun-n. Enjoyment, pleasure, or amusement.
Memory-n. The capability of storing past experiences in the mind and recalling them at will.

The fun and games of high school are coming to their timely end. There is no time for tears. Ah, but the memories we have to cherish. But when we walk in front of our emotion filled families and friends, the memories are sure to come flooding back with force. Amidst the college acceptance letters, we look back at our years at the Ranch. Such success we encountered. But now we will try to attain success in the real world. Our chances look good.

Seniors Prepare For Future Careers

Margarita Juarez is on her way to becoming a future secretary.

There is a fork in the road of life which is primarily for Seniors. One path leads to college. After earning a college degree, a portion of the new American work force will enter the market place. Who knows what potential company executives, corporate presidents, and educators of the future might be leaving El Rancho this year.

But that is just a fraction of the Senior class. For some, college is not the right move, so they opt for on the job training, and become skilled in their occupation by securing a position and learn by experience. That path presents a difficult decision. It is a choice that decides the rest of a Senior's life. These Seniors have been preparing to become knowledgeable in their field. Who knows, there may be a Barbara Walters, Bob Woodward, Jane Fonda, or John Glenn amidst the Seniors. Only time will tell!

What Makes This Year Different From The Others?

What's new, El Rancho? Stand back because you are going to see just a little touch of Don history. Exactly what does that mean? It means there was a zap from the past because as the 83/84 school year began, new faces and additions were added to the Don Family.

For the first time in over two decades, a freshman class has been added to the school. Not only does that give class competition more excitement, it also expands the size of the school population. Now, students must battle mass hysteria between periods and lunch. But that only gives El Rancho an aura of electric school pride, something that every high school should experience.

Along with more students, a new demand for more teachers came about. El Rancho has increased its superior staff by thirty-five. New rules were also developed. A more strict tardy policy was created. Also, off-campus privileges have been given only to Seniors and Juniors.

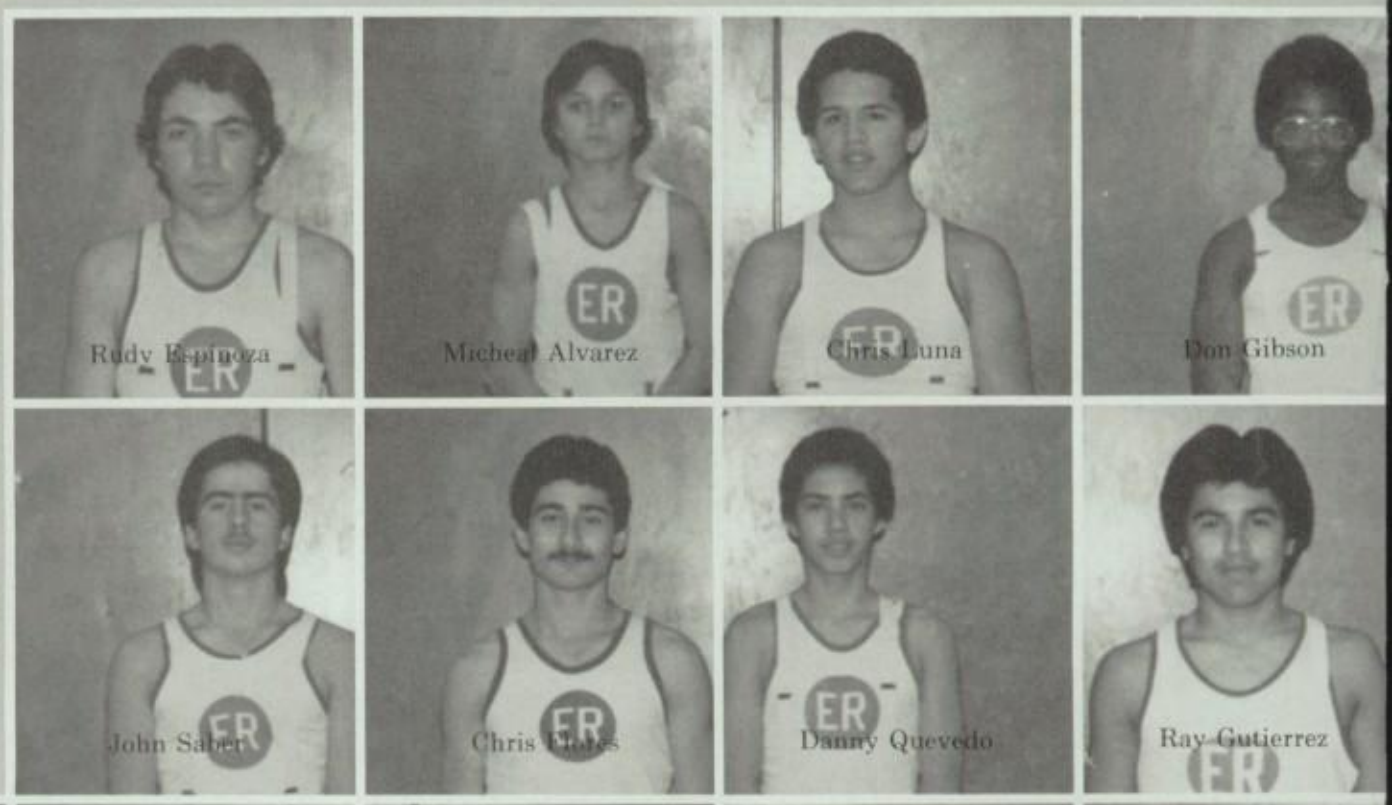
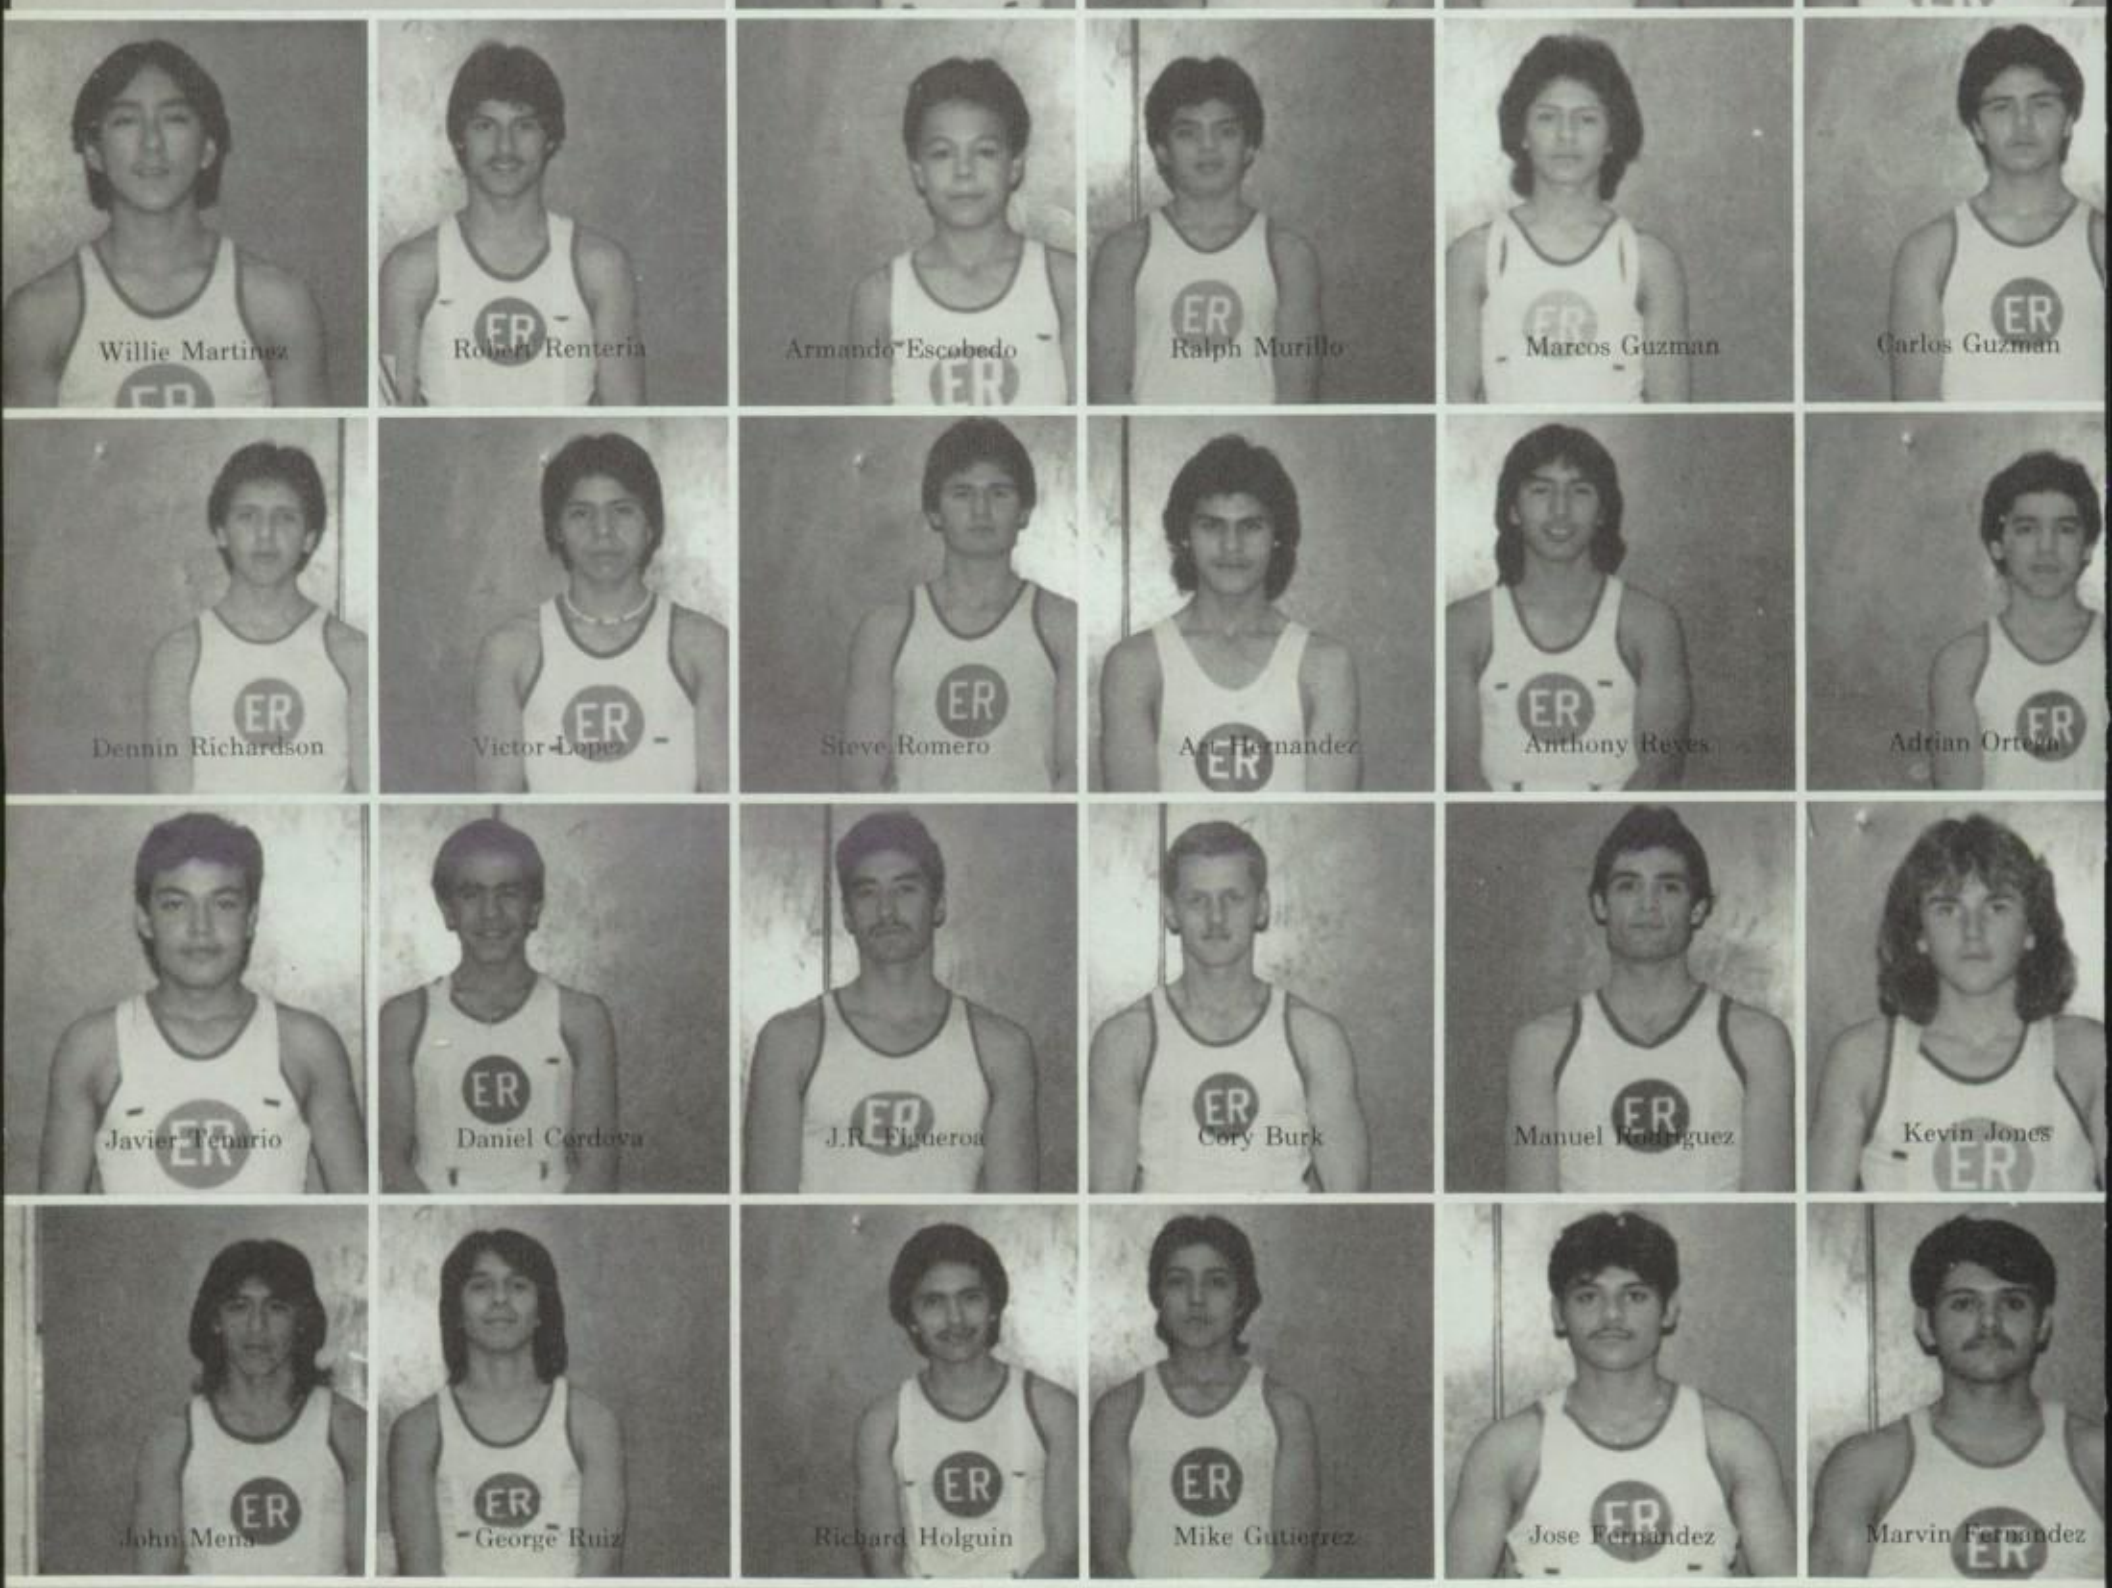
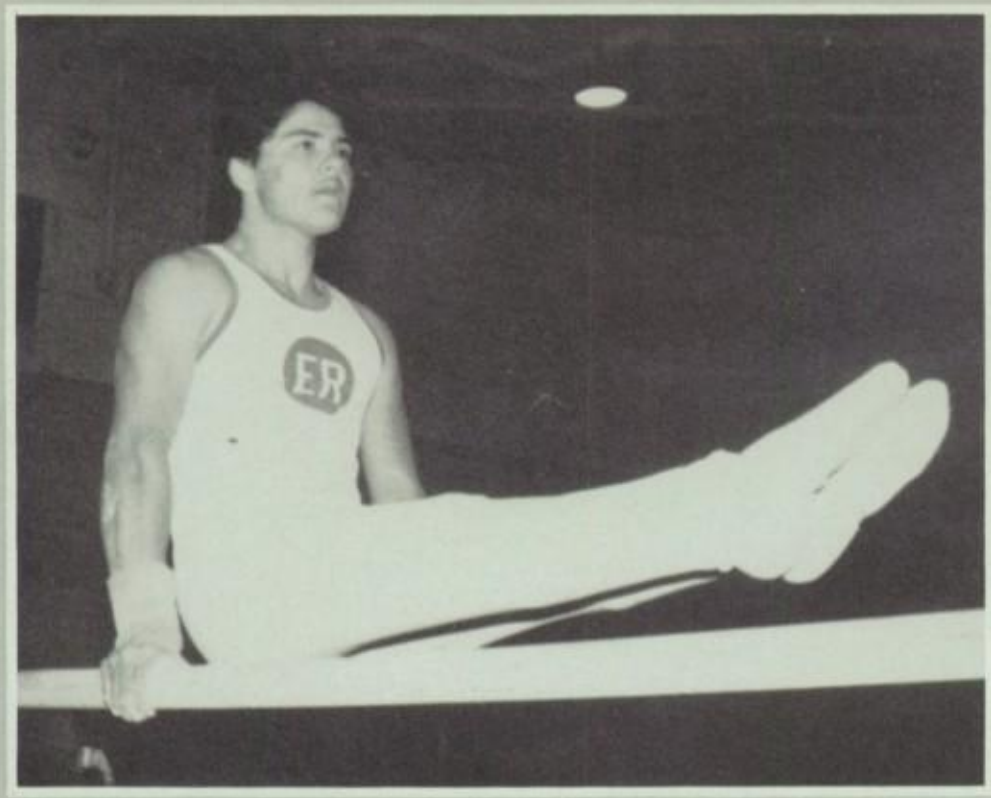
Varsity Gymnastics: A Perfect Routine Every Time

"They are a great group of athletes. They're hard workers who have the dedication and skill needed to become champions." said enthusiastic Head Coach Robert Turner. His assistant coach Craig Helm, was equally enthusiastic about the gymnasts talent, "If we remain injury free, we have a good chance of becoming League and CIF contenders." The gymnasts got off to a great start. All of their dual meets were strong victories for them. The gymnasts gave co-captains Manuel Rodriguez and Chris Luna something to be proud of early in the season. As of April 2, 1984 they had achieved a perfect record of 5-0-0. The year's Most Improved Players were Robert Renteria and Don Gibson. Carlos Guzman, Chris Flores, and Marvin Fernandes were named Most Valuable Players. The highlight of the year was when they hosted the League finals and CIF finals on Saturday, May 19, 1984.



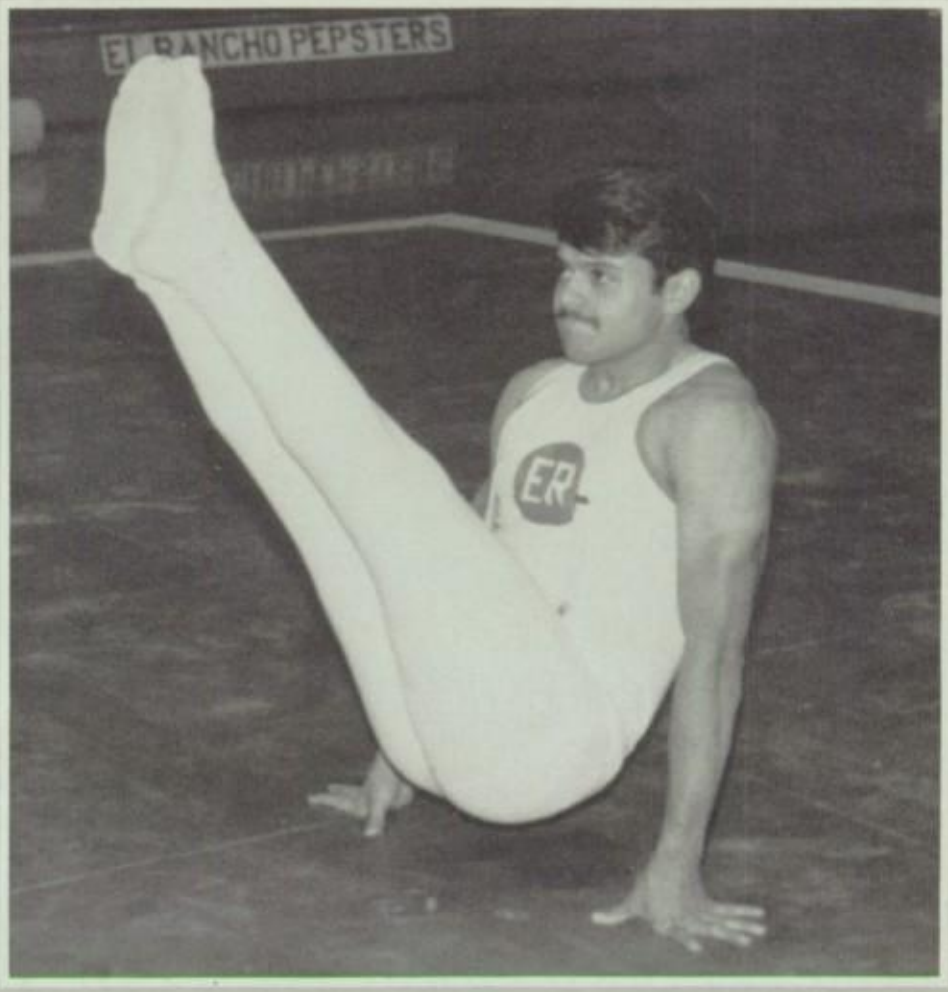




Carlos Guzman holds his L-position on the parallel bars.

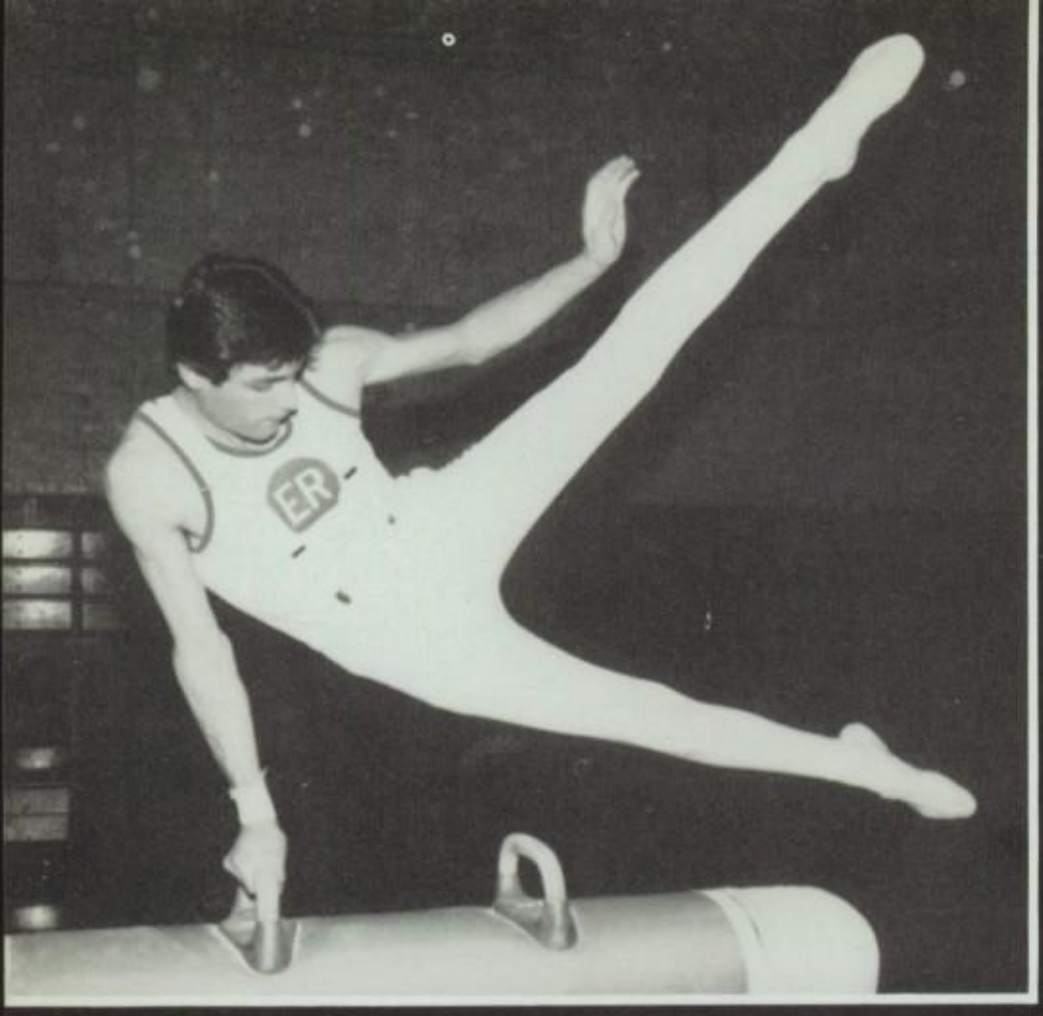
Danny Cordova glides through the air on the rings.

Doing splits on the rings is Marcos Guzman.



Concentrating on his floor exercises is Marvin Fernandez.

Robert Renteria prepares to do loops on the high bar.



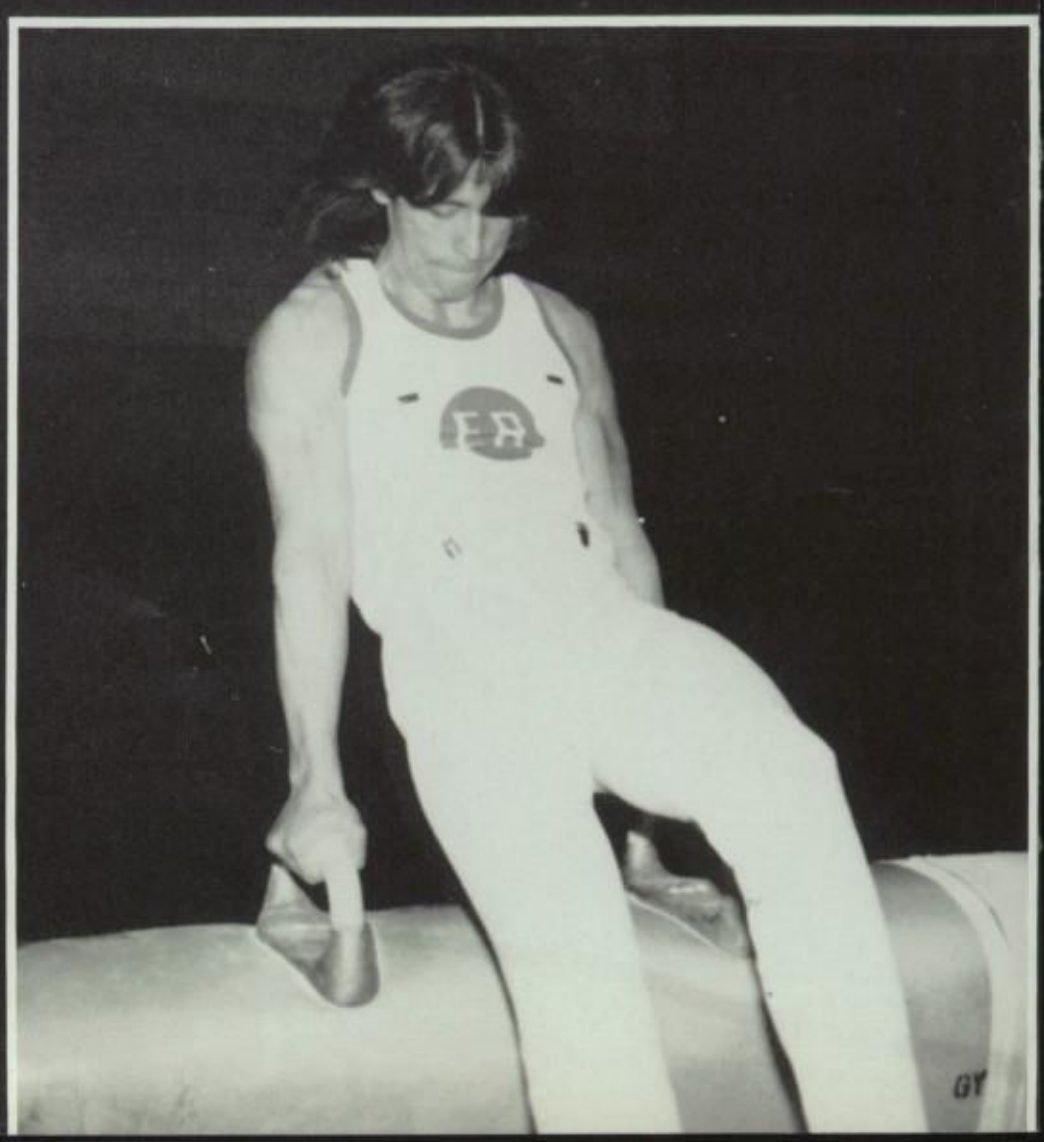
Co-captain Manuel Rodriguez executes the scissors on the horse.

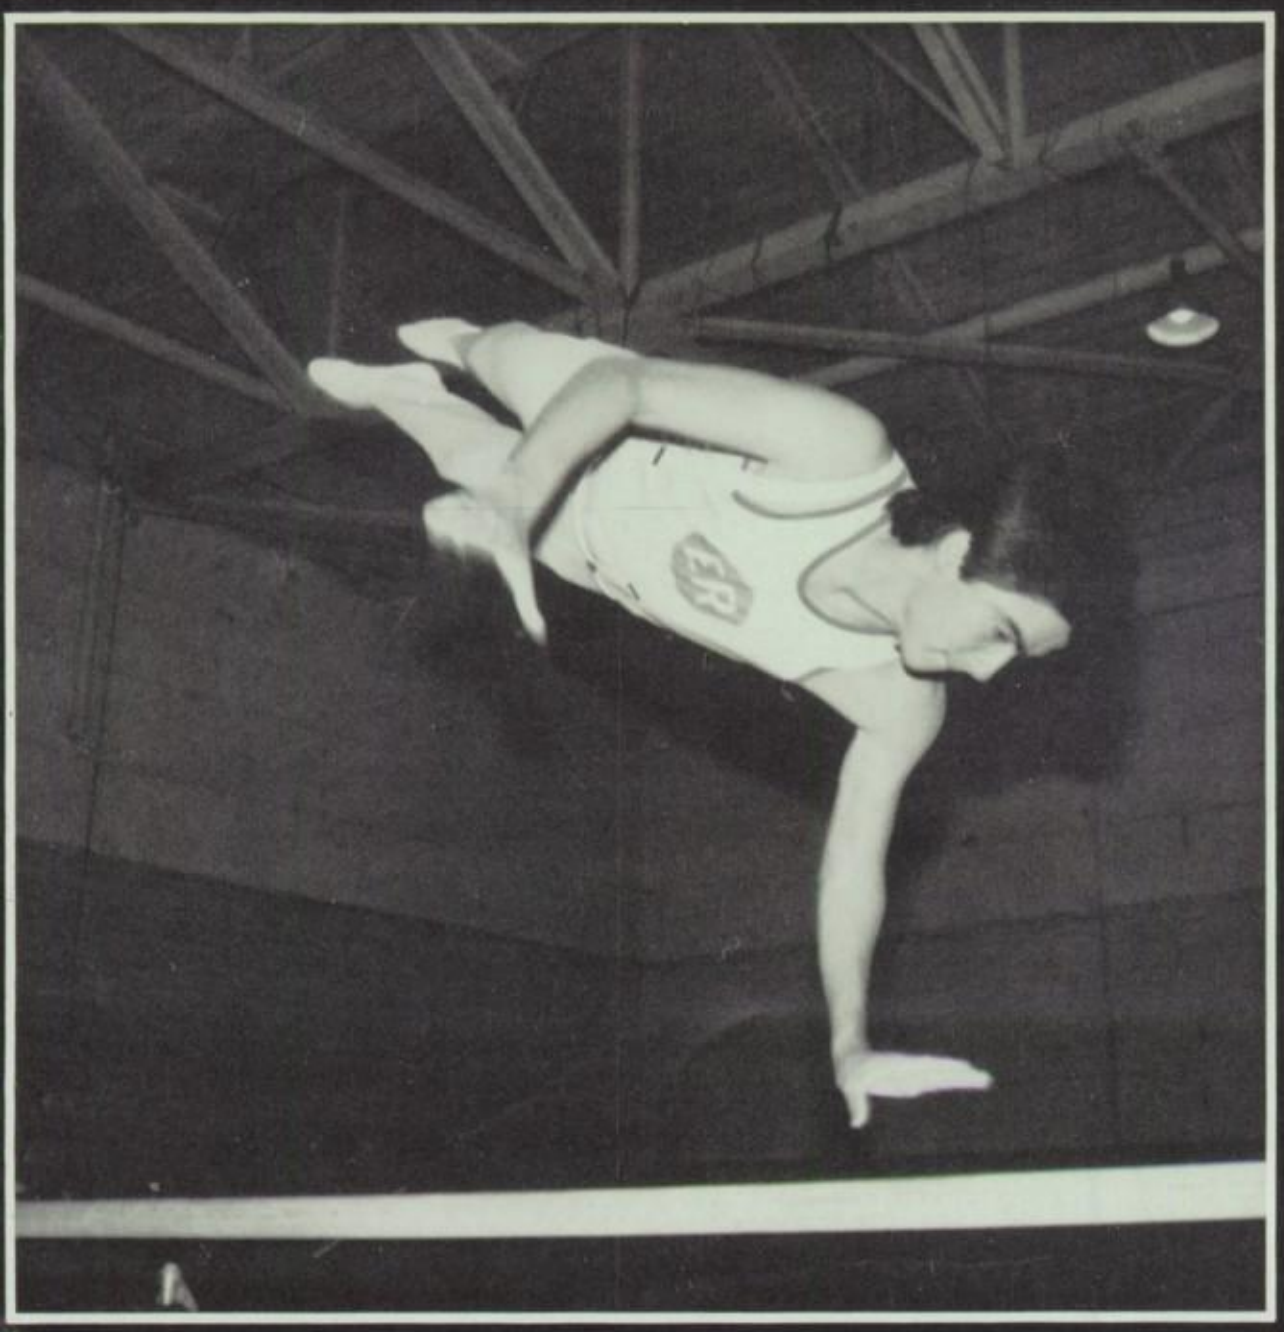
Ray Gutierrez maintains his L-position on the mat.

Executing a V on the P-bars is Jose Fernandez.

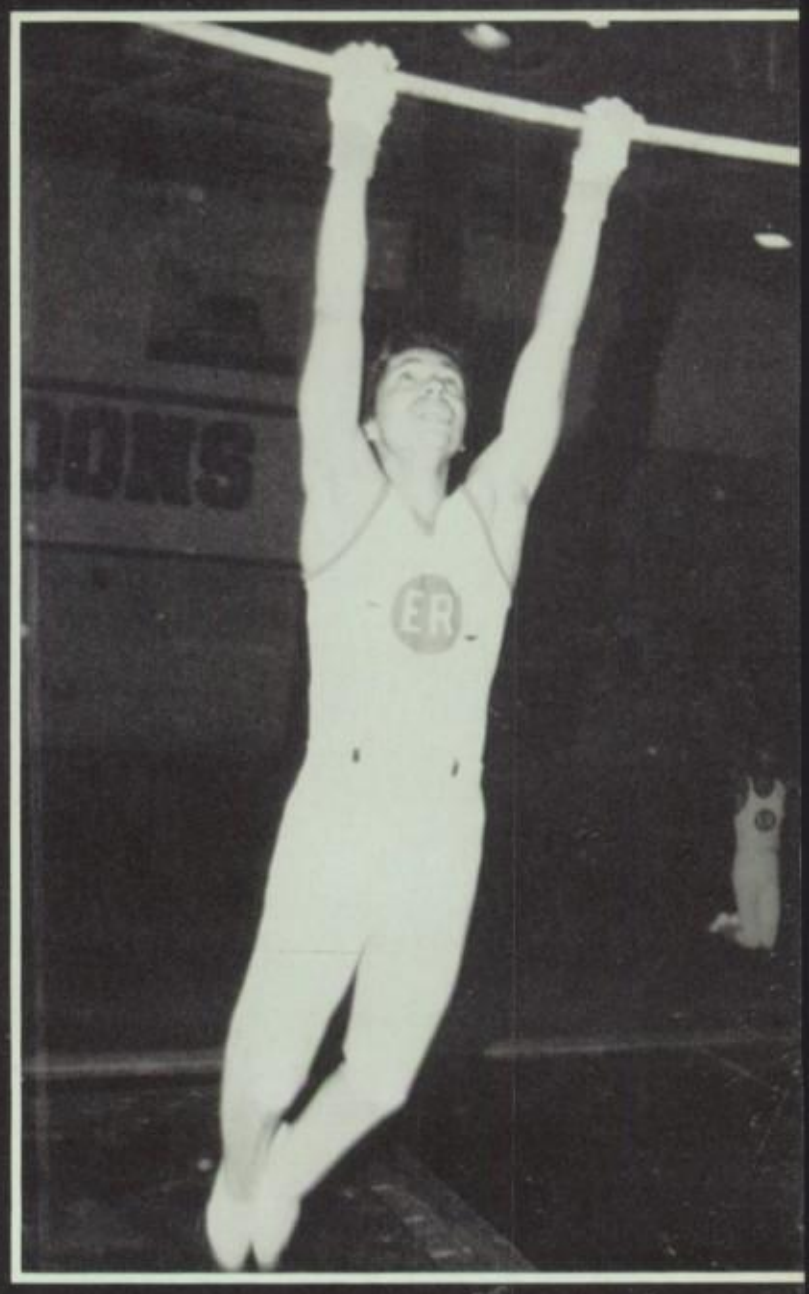
Cory Burk holds his iron cross position on the rings.

Doing scissors on the horse is John Mena.



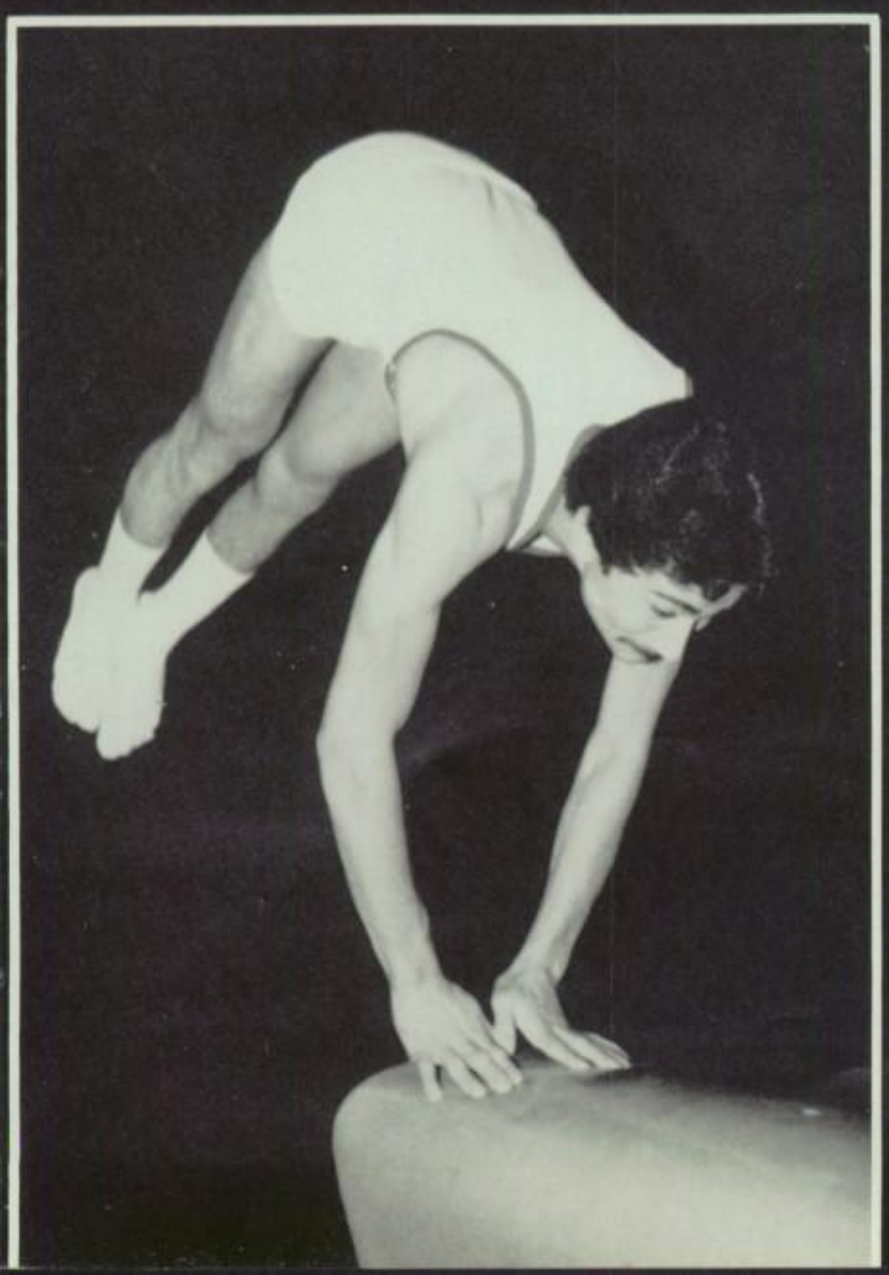


John Saber executes a twist on the parallel bars.



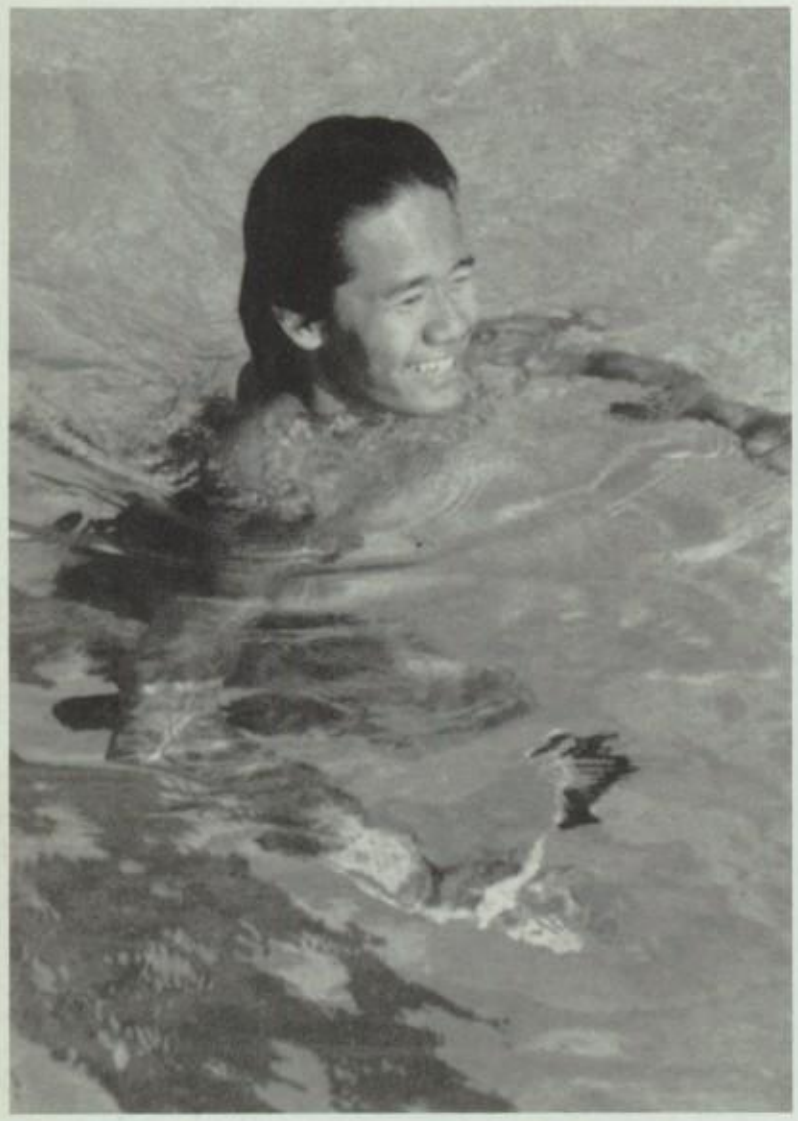
Richard Holguin is preparing to start his routine on the high bar.

Chris Flores prepares to do a roll across the horse.



Mike Alvarez performs a back lever on the rings.

Ready to take a leap off the high bar is Anthony Reyes.



Vinh Le is pleased to know he did well in the race.

Jimmy Delgadillo gets off to a good start as he dives in the pool.

"Improvement was the name of the game this season," commented coaches Dan Marshall, Jim Dyson, and Kami Brunsdon. The swimmers took his attitude to hear. Their workouts didn't end right after-school. The swimming was kept up for about two more hours. Robert Carroll gave the team their big moment when he set a new school record in the 100 yd. butterfly. He beat a 9-year old record of :58.2 when he swam it in :57.48. The team captain was Jim Delgadillo.

Showing good form, Roddy Esquer follows through after a swing.

Varsity Golf

Coach Joe Osterman was very optimistic about his Varsity Golf team. Even though they had touch league schools to play he felt the team could have the best win-loss record in the history of El Rancho. "We do have a chance to earn a playoff spot which would be an El Rancho first," he announced. The team was well-balanced with players having a chance to win honors at the end of the season. Five of the eight top players who are under classmen, continue to work at the game improving their strong and weak points. The team can be a solid team for the next few years. They were led by Co-Captains Frank Reyes and Al Alvarez.

This year was a building year for the Girls' Varsity Basketball Program. They were coached by Mr. Jim Marin and Mr. Sterling Laureano. Many of the girls lacked the skills needed to compete on a varsity level. They spent a lot of time on the fundamentals of basketball. They were at a disadvantage because they had no one over 5'9" and didn't have any consistent shooters. They also started with only two girls that had varsity experience. They were Carol Silva, recipient of the Most Valuable Player Award, and Jackie Navarette who was captain. Carol Silva and Cathy Estrada were also captains. Nancy LaHeist was named Most Improved Player. The girls that participated in the program this year worked very hard during practice and spent many long hours learning how to play basketball. Each girl had games where they showed signs of improvement, but they just didn't have games when everybody played well. This was the reason for their poor win/loss record. "Next year I am very optimistic about the Girls' Varsity Basketball Program because we return seven players and these players along with others have shown an interest in playing basketball for El Rancho", commented Coach Marin.

Jackie Navarrete shoots the ball to a fellow teammate.

Trudi Lim steps in to get the ball from an Oiler.

Varsity Boys Track: Prospects For The Olympics.

The Varsity Boys Track had a very challenging and encouraging year. Their strength and determination grew as the team prepared to leave their opponents behind. El Rancho was one of the strongest teams in the league. Coaches Mike Goff, Bob Paholski, Sonya Farrell, Sergio Vegarra, Ron Ybarra, and Harry Yessian gave the team much support and confidence. The highlight of the year was when they set two meet records in El Rancho relays. Another exciting moment for the team was when they placed third in the Downey Invitational.

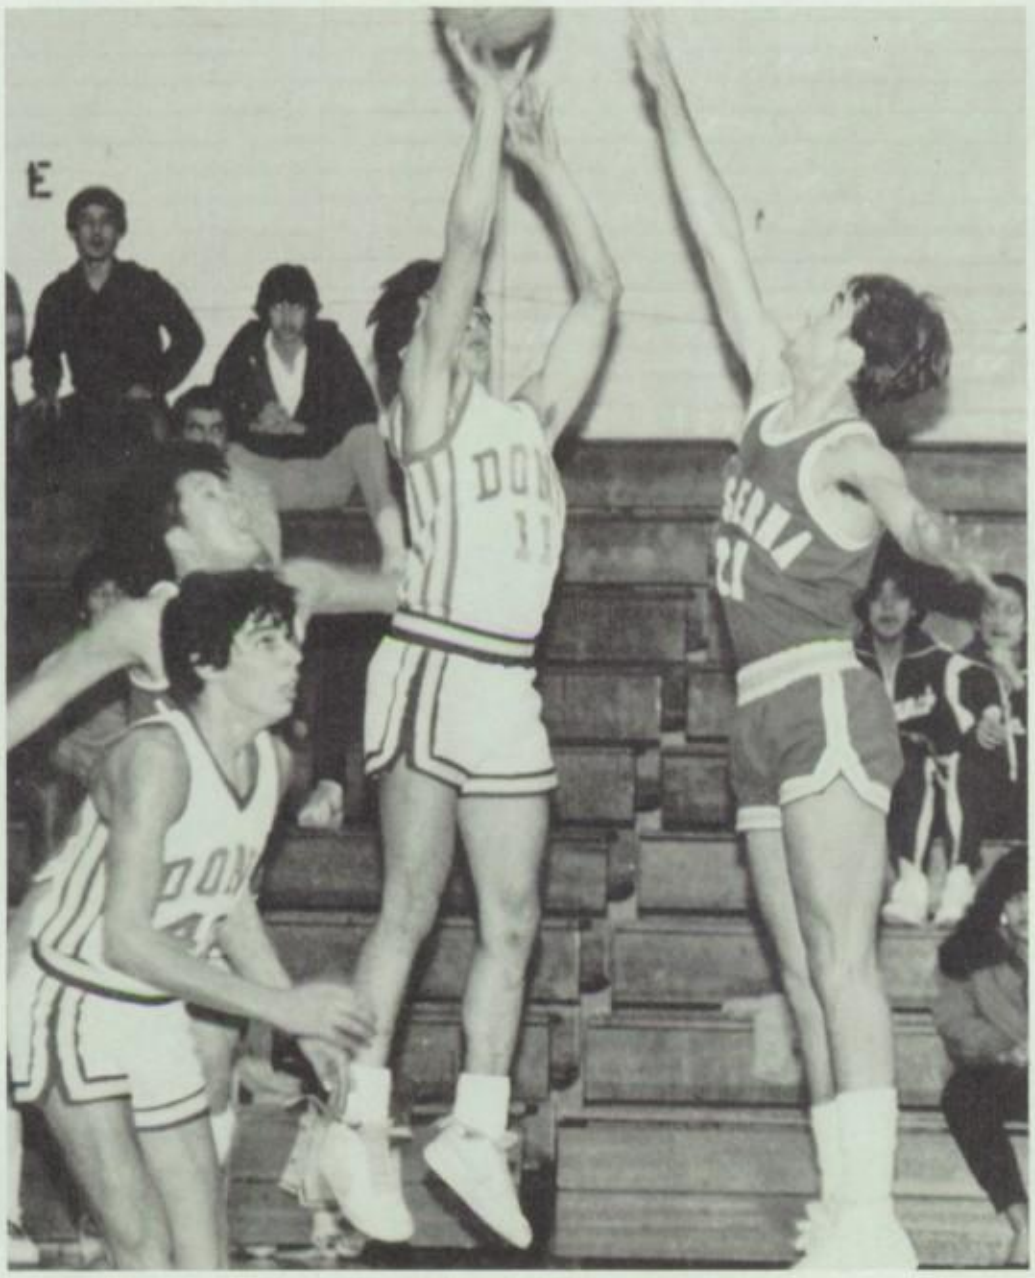
Varsity Basketball

"This was a very exciting team to watch. Win or lose, they were never dull," Commented Coach Osterman. The Dons proved that they were a team to contend with this season. One of the biggest wins occurred during pre-season when the Dons won the Pioneer Tournament. During the season the Dons won two of the three overtime games and beat both the league Co-Champions Bell Gardens and La Serna in the second round of league play. The team showed that they were a winning and dedicated team when they made a strong run at the Whitmont League title with a six game winning streak. The Dons ended the season with the first winning record in the past nine years. Their league record was 9-5 and the team placed fourth in the Whitmont League. The most improved player was Chris Hernandez! The most valuable players were Frank Reyes, Gil Nunez, and Captain Ceasar Mata. Gilbert Nunez was also chosen MVP in the Whitmont League.



Gilbert Nuñez (11) goes for a long shot against his La Serna opponent.

Girls' Varsity Softball: Another Great Year

Determined to beat last year's team record of playing in the CIF quarter finals, the varsity softball team got off to a strong start. With four seniors and three freshmen, the team had plenty of depth. Junior Kris Perez and freshmen Rachel Cendejas and Rachel Torres pitched for the Dons. Perez was also an asset to the team with her hitting. Nothing got by Pam Trujillo in her third year of varsity playing center field. Dina Soto's bunting and fielding at short stop were also contributing factors to the team. Coaches Julie Ellis and Karren Morehouse were proud of the dedication and hard working attitudes these girls displayed about softball. Miss Ellis commented, "Our teams have traditionally been strong defensive units. This year's team is a pleasant exception because they are hitters as well as good fielders." This year's team statistician was Lilia Carreon.

Varsity Football: A Year Of Building

The El Rancho football team showed much effort and team spirit this year. Team captains Marco Santana, Robert Venegas, and Jesse Reynoso showed true leadership abilities as they encouraged the players to press on to reach many goals. The pressure was on the Dons and they entered their second season in the Whitmont League. The very young team started off with some disappointments but matured and managed to turn the season around. The team was able to improve its record by winning the last three games. The team ended the season with a five and five league record. Coach Peterson felt that those players who finished the season worked very hard and deserved the credit for turning the season around. The season's most valuable player was Captain Marco Santana. The most improved players were Chris Chaparro and Anthony Martinez.

With the fine coaching of Terry Goetz, the Girls' Varsity Volleyball team ended the season with a League record of 9-4. Although their season was not as successful as they wanted, their pride and enthusiasm to win never failed. The Most Improved Player was Lisa Van Capelle. The Coach's Award was given to Jackie Navarette. Jackie was also captain, along with Pam Trujillo and Mariellen Yglesias. Carol Silva was named Most Valuable Player and was also an Honorable Mention for All-League. Jackie Navarette was also picked for the All-League's second team. All three captains wanted this to be their most successful year and really strived to reach their full potential. With a little less than half of the girls returning, the future looks good for an even better season next year.

The 1983-84 Waterpolo team was lead by Co-Captains Jim Delgadillo and Robert Carroll. Coach Marshall thought the team was very young and inexperienced but were willing to work hard. The team showed dedication by their effort and attitude put forth in their early morning and after-school practices. Their daily practices prepared them for the strenuous and vigorous activity that is required in Waterpolo. The most Improved player was Keith Staats. The Most Valuable player was Jim Degadillo. The team ended the season with a 5-14 record.

Hard work and dedication were the keys to success for Girls Cross Country. The team knew the tough challenges they were going to have to face since it was their second year in the Whitmont League and they would have to face the Montebello Oilers who were ranked high in C.I.F. Preparation for the season started in the summer. A daily routine was set up so each girl could progress. Coaches Mike Goff and Sergio Vegarra guided the girls to improve their unique talents. Their desire and effort showed in the outcome of the season. They were the first girls team to win a League Championship in the history of El Rancho. The highlight of the year for the team was when El Rancho beat Montebello. The team also qualified for C.I.F. finals. The team's Co-Captains were Dianthe Contarero and Roberta Schmidt. The boys Cross Country team had one of the most successful seasons in El Rancho's history. The boys took third in the Whitmount League and went to CIF for the first time in many years. Coach Mike Goff felt the team was hard working and they learned to make sacrifices to win. Their attitude and dedication played a major role in their success. Their practice schedule was quite unique compared to other sports. During the summer, practices began at 6 a.m. Every morning you could see the boys running through the neighborhood of Pico Rivera. . The summer program prepared them for the upcoming season. The team captains who showed good leadership were Dave Casillas and Mario Zamarippa. The Most Improved player was Joe Avetisian. The Most Valuable player was Dave Casillas. Mike Goff and Sergio Vegarra were proud to coach such a fine team.

Every year our Girls Varsity Team works hard and this year was no exception. They entered into their second year in the Whitmont League and were much improved, especially in doubles. Coaches Ray Ogas and Sonia Farrell guided the team through the season with discipline and dedication. They helped the girls to improve their abilities and skills. Laura Madrid was the Most Improved player for the season. The Most Valuable players to the team were Lisa Castanon and Lori Ojeda. Even though the team was young and unexperienced coach Ogas feels confident that he will have a better season next year if he retains the same girls who lettered.

Wrestling

"We had a young and hard working team this year" commented head coach Nick Caputo. This fact showed through with their strong finish in the League. They came in second, losing first place to Santa Fe. The coaches were Ron Ybarra, Steve Araujo, Ralph Valle, and Scott Hesinter. They were extremely proud of the effort put forth by these willing and able young men. The wrestlers put in long hours of practice, not only during class, but also after school and on their own time. Their Most Valuable Player was Marco Santana. He was also captain along with John Storey and Tony Lopez. The team's Most Improved Player was Daniel Vallejos. Varsity Wrestling ended with a League record of 4-1 and a season record of 10-3-1.

Varsity Girls Swimming: "Pooled" Together For Success

"Although we were very inexperienced, I knew we could all improve our scores," commented coaches Kami Brunsdon, Jim Dyson, and Dan Marshall. The girls really did improve with the constant practices. They each swam at least five thousand yards a day. They were really determined to cut their times down by at least 10-20 seconds. The strongest contenders on this year's Girls' Varsity Swimming team were Sandra Salas, Lorena Arellano, and Cris Cruz.

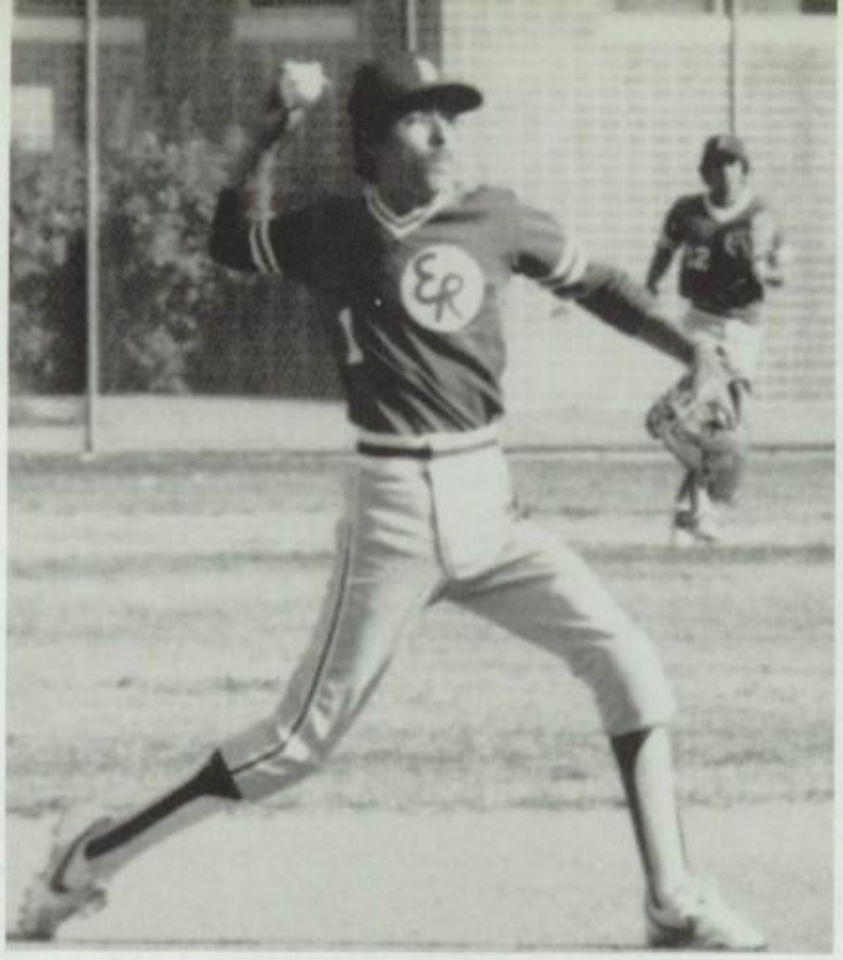
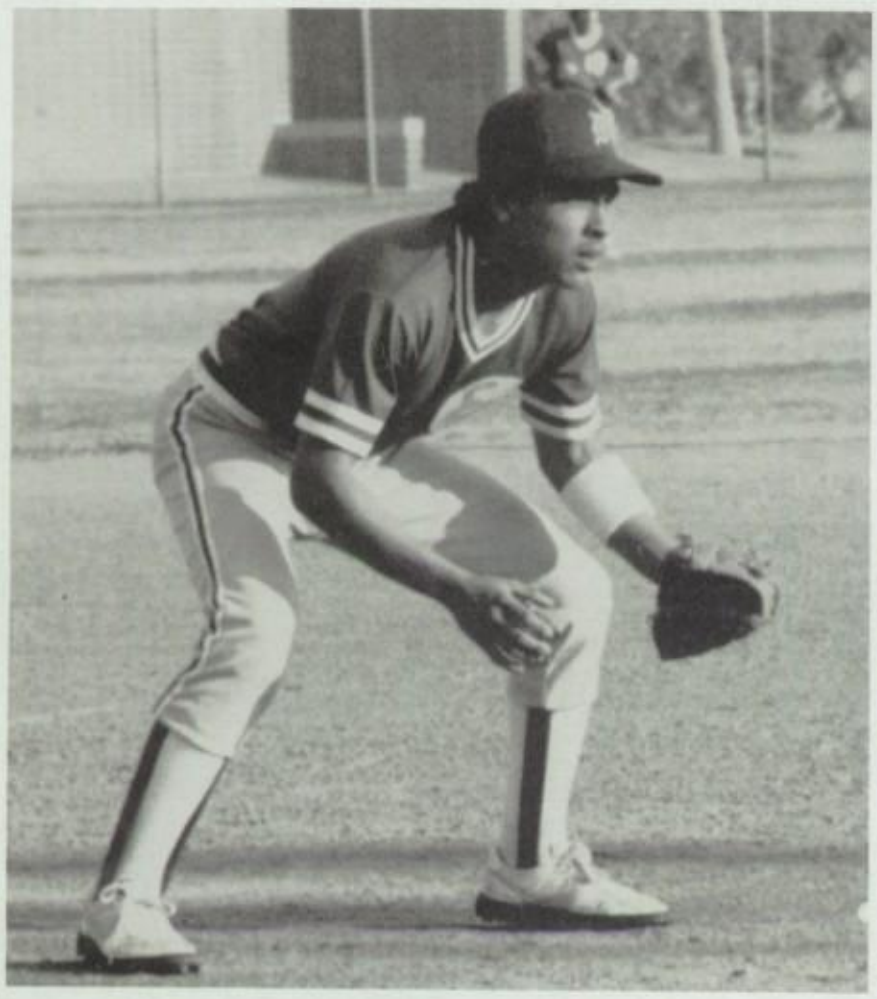
The Boys Volleyball team was led by Co-Captains Cesar Mata and Ben Rico. The team felt confident during the season since they had six returning lettermen. They consisted of speed and height. These two factors enabled them to play a better game of volleyball. Their power hitting also contributed to much of their success. They were contenders in the Whitmont League because of their competitiveness. The team's principal goal was to qualify for CIF. They were coached by Steve Araujo, Steve Nakashirra, and Jesse Mendez. The varsity volleyball team ended the season respectfully.



Vat Medina quickly throws the ball to homeplate in order to stop a run from coming in.



No grounder gets by third because thats where George Arreola hangs out.

Under the direction of Head Coach Ben Meza and his assistant coaches David Aguilar and Steve Foreman, the Varsity Baseball team was led to numerous victories. One of the first high-lights of the year was when the Dons won a doubleheader against Bolsa Grande High School by indentical scores of 6-5. Another highlight of the season was winning the first three out of four league games. Coach Meza commented, "If we get some needed help from our pitching staff, we will be in a good position to go to CIF." This year's team captain was David Parra. David Parra, Gabe Carmona, Arnie Gil, and Obie Galindo were named Most Valuable Players. Ruben Gonzales and George Arreola were named Most Improved Players. The team participated in a very strong league this year and had to put forth all their effort in order to have a chance for the championship.

Mary Clark competes in the 220 low hurdles.

Lupe Casillas keeps her pace as she stays in front of Whittier.

Linda Parra breaks her own personal record as she jumps over the high bar.

The 1984 girls varsity track team was the strongest and most balanced team El Rancho High School has ever had. The girls always showed a positive attitude. They worked out daily with various routines preparing them for their events. Their successful results showed at the track meets. They proved to be very competitive against their toughest competition, CalHi and Montebello. The girls progressed through the season improving their times. Some school records were even broken. The girls were coached by Mike Goff and Sergio Vegarra.

Boys Cross Country Frosh-Soph (L-R) Sergio Grajales, Artie Gonzales, Oscar Novelo, Greg Rincon, Jessie Saldano, Rick Martinez, George Casillas

Frosh-Soph X-Country

"They are the largest and best group of Frosh-Soph runners in many years" commented Coach Mike Goff. It was a learning year for these young runners. They had to adapt to the strenuous activities that would prepare them for their upcoming meets. The Frosh-Sophs' hard work and determination in learning their basic skills paid off. Their League record was 5-2. Because of this they tied for third. Their overall record was 5-3.

This year's Girls Frosh-Soph Cross Country team placed second in the League. These girls put all their efforts into their meets and it showed. They shut out five league teams and also won the Sonora Invitational. The girls ended their season with a record of 5-1.

Girls Cross Country Frosh-Soph Bottom Row (L-R) Stephanie Stenger, Val Villasena, Yvonne Kirby, Lupe Casillas, Top Row Michelle Ruiz, Jennifer Bergman, Wendy Kirby, Elvia Rivera, Charlette Schmidt, Mark Clark.

Frosh-Soph. Basketball

"Although we lacked height, we were an aggressive team", commented Coach Ogas. The Frosh-Soph Basketball team had their highlight of the year when they defeated Pioneer High School 57-56. This was a fantastic feat, because during halftime they had been trailing by 12 points and made a terrific comeback. The year's captains were Joey Parra and Julio Miranda. The Most Improved Players were Jason Ojeda and Dino Martinez. The Most Valuable Players were Julio Miranda and Ray Green. The team ended their season with a record of 13-2.

J.V. Basketball

"I'm proud of the fact that the boys were finalists in the San Gabriel H.S. Tourney", commented coach Jim Dyson. He also said that being finalists was the "highlight of the year" and made them proud of the effort they had put forth during practices. The V. Basketball team's Most Improved Player was Isaac Villareal who was also Team Captain. Ed Herrera was named Most Valuable Player. They ended their season with a team record of 14-5 and a League record of 10-4 which enabled them to place second in the League.

JV Football

This year's Junior Varsity football team showed much potential for a young team. They began their training in the summer. They were a hard working team who were coached by Nick Caputo and Ron Ibarra. They faced a tough season and their overall record was 3-4 in the Whitmount League.

Freshmen Football

This year's Freshmen football team fought its way through the season with a 5-5 record. Led off by a fine coaching staff consisting of Willie Norman, Dan Alvarez, Gene Parsons and Pete Zuniga. The team captain for the offense was Mike Perea and for defense was Noel Saldivar. The most improved players were Eddie Ruvalcaba, and Henry Perez. The most valuable player was Javier Rubio. One of the highlights of this year's team was a come from behind victory over La Serna which put them in a tie for first place. It was gratifying just to see the comradery between all sixty players. The friendships that were made overshadowed any league record.

As one of the largest and most talented team El Rancho has had, the girls' Frosh-Soph track team showed much potential. The girls worked hard to gain recognition in the Whitmont League. The girls showed effort and enthusiasm in both practice and meets. They never gave up and were always willing to perform beyond the demand of the coaches, and their events. They admired the varsity players and set goals that paralleled the varsity goals.

The Boys Frosh-Soph track team managed to get ahead this year. They put out much determination in reaching their goals. Their spirit to compete led them on to giving their best effort. They showed good discipline and fine sportsmanship. The dedicated team was supported by coaches, Mike Goff and Bob Paholsky. According to Mike Goff, the team did fairly well at a Frosh-Soph level. Many good runners moved up to Varsity level.

Middle Row: Albert Arvayo, Rodney Torres, Joe Nunez, Jimmy Hinojosa, Chuck Quijada. Bottom Row: Adrian Ortega, Larry Salazar, Manny Morales, Gilbert Gutierrez, Tom Celiz, Jose Gaeta.

Freshmen Baseball

The Freshman Baseball team didn't have just one outstanding star on the team but a talented team as a whole. The players always played together like a team. They worked hard together and displayed teamwork throughout the season. They showed an empathic attitude at both practices and games. Their defensive was adequate throughout the season. Their offense was the most outstanding element to the team. Coach Willie Norman commented, "We really hit the heck out of the ball." The highlight of the year was winning the many close games that they did. The team captain was Albert Moreno. Most Improved Player was Walter Salas. The Most Valuable Players were Albert Moreno and Abdom Pinon. Coaches were Willie Norman and Tony Baker. The young men on the team should be a valuable prospect for the upcoming varsity baseball teams.

J.V. Baseball

With natural talent and hours of practice, the JV Baseball team worked hard and was determined to have a successful season. They were an enthusiastic team and showed a tremendous amount of dedication. The team members quickness and ability to get on base will make them important assets to next year's versity group. The team was coached by Mr. Nick Caputo and Mr. Steve Foreman.

Top Row: Albert Moreno, Rene Lopez, Joe McCrary, Sal Espinosa, Efrain Garcia, Pete Ramirez, Assistant Coach Tom Baker. Middle Row: Henry Perez, Javier Rubio, Walter Sales, Eddie Perez, John Ayala. Bottom Row: Ricky Garcia, Abdom Pinon, Eduardo Flemate, Ray Garcia, Coach Willie Norman.

Top Row: Alex Cantu, Lowell Foster, Rick Salazak, Rick Villapando, Paul Ortiz, John Hernandez Bottom Row: Steve Brito, Mike Pompa, Eric Lu, Dennis Guiterrez, Sean Ramirez, Martin Garcia.

J.V. Boys Swimming

This year's Boys JV Swimming Team was very competitive. They set for themselves the goal to continually improve their swimming times. Their goal was met with their constant practicing, rain or shine. Every team member knocked at least ten seconds off their previous times. Eric Delgadillo, Jesus Pavales, and Steve Brito are the high hopes for next year's Varsity team.

J.V. Girls Swimming

"Rain or shine these girls really worked hard," Commented coaches Jim Dyson, Dan Marshall, and Kami Brunsdon. For two hours every day, the Girls' JV Swimming team swam at least five thousand yards in an effort to knock as much time as possible off of their previous scores. All of the girls put as much effort as possible into their swimming, so as to be stronger contenders for the championship for next year's Varsity Swimming team.

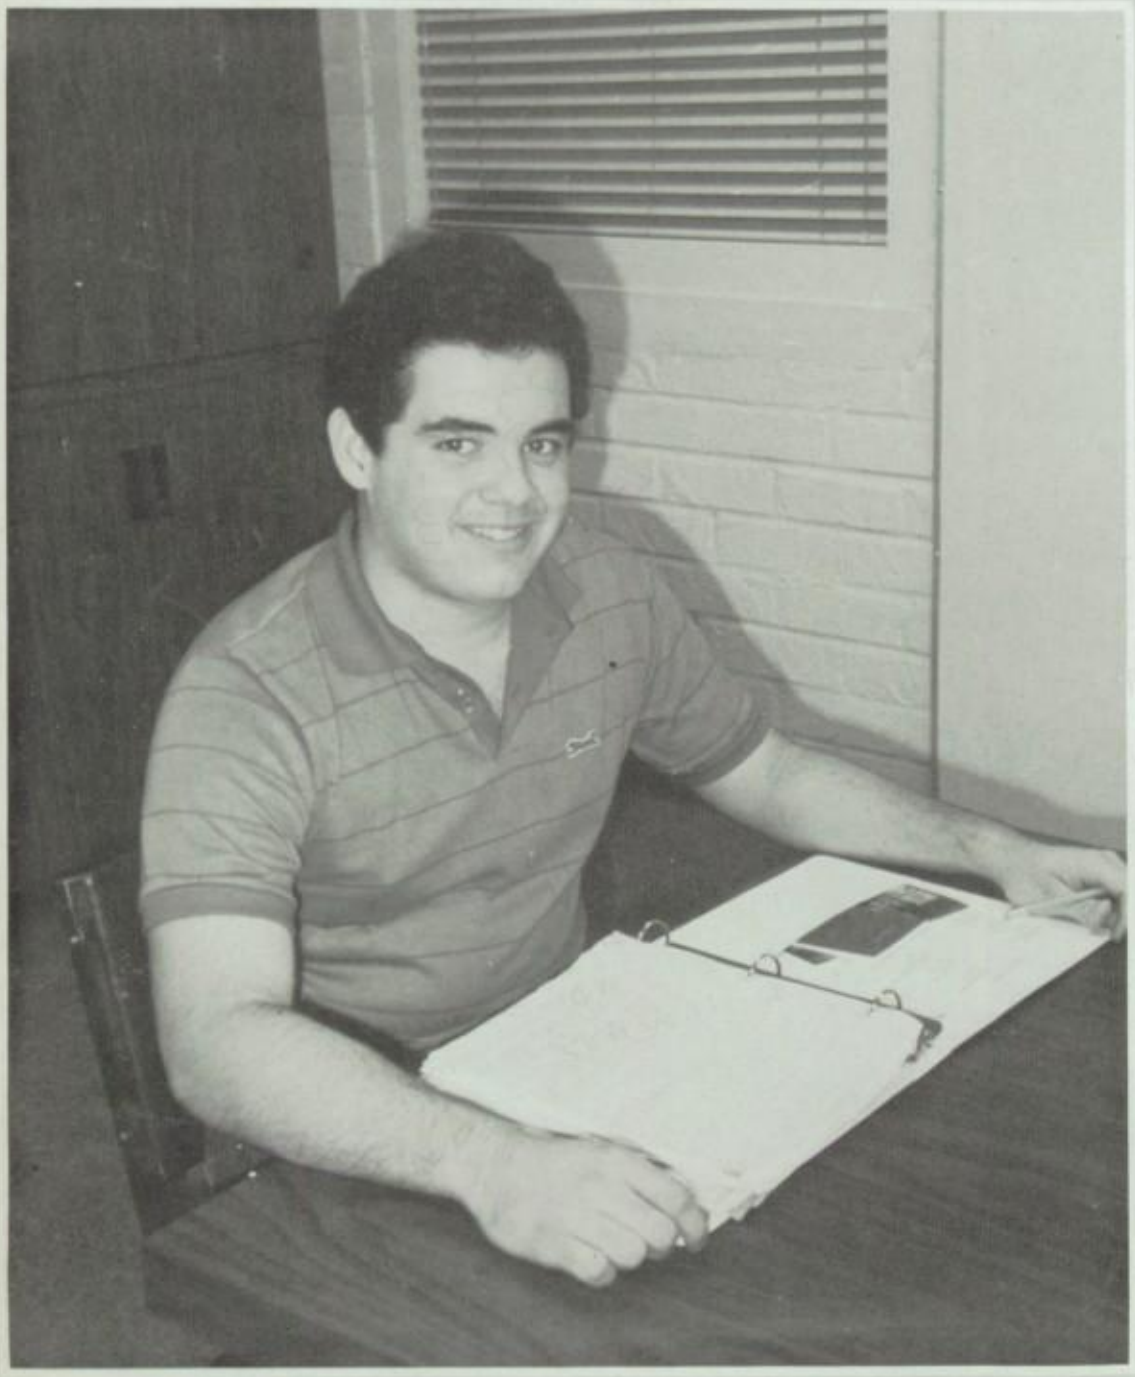
A Junior Class With Alot Of Class



Jorge Carreon
Junior President

Dear Class of 85,

"Nothing's Impossible!" That is my main message to the whole junior class. We proved that statement with a vengeance! We showed all of El Rancho that we could be a major force, that we had true Blue Pride! But as we end this year, another chapter of our high school is slowly coming to a close. It seems like the infamous Junior Class is finally leaving the junior zone. We are now entering the next dimension - Senior Year. We will be the lords of the school, the Dons of the Ranch.

There is so much to say to you all. I would like to thank all of the Exec members for their advice and support as well as my sister and the Senior Class for the great competition. Never before had I seen such tough sibling rivalry since the Hatfields and the McCoys. Most of all, I want to express my most sincere thanks to the Class of 85. Without your wild spirit, encouragement, advice, laughter, etc., I couldn't have succeeded as the Junior President. Thanks for giving me the experience, memories, and the chance to spark a new fire in class spirit. When we start the 84-85 school year, there is no telling how anyone can stop us.

Lay low and avoid the radar.

Sincerely,
Jorge Carreon

Hurry, Hurry Don't Be Late!

"Hurry, Hurry, Don't Be Late"

No, this is not about the latest Sears sale. It is new and improved-it is the EL RANCHO TARDY POLICY. And boy, has it come a long way.

One of man's worst habits is being late to his appointments, social events, etc. This habit plagues all groups, but the area of our society it has hit the hardest is high school students. In Latin, this disease is known as better latus than neverus, or "get to class!" However, as with all diseases, man is always looking for a cure. Well, one has been discovered and it is called the El Rancho Tardy Policy. It goes like this.

On the second tardy, the teacher will warn the student about having been tardy twice. When the third tardy occurs, the teacher (not E.T.) phones home, lets the office know what has been done, and a notice is sent home. On the fifth tardy, the student may be terminated! So please, El Rancho, be on time. Heed the Surgeon General's warning: Tardiness may be hazardous to your health.

Helicopter + Parachutists = Homecoming

Theme: Through the Years
Event: Homecoming 1983
Verdict: ABSOLUTELY BREATHTAKING!

Homecoming is one of El Rancho's most special and exciting events of the year. This year was no exception. Besides the traditional naming of the Queen and class princesses, something special literally blew us away during the assembly.

For the first time in El Rancho's history, modern technology met tradition. After Debby Eisenbeiss, Homecoming Queen of 1982, made one of her final appearances, the Homecoming Assembly came to its climactic point. The anxious audience became awed as a helicopter landed in the Don Stadium. Looking as glamorous as Vogue models, the Homecoming candidates disembarked and were escorted to their seats of honor.

During the football game that evening, another first occurred. At the very end of the halftime show four parachutists came floating to earth to face a crowd of eager sky gazers. A hush fell over the Don Stadium as one of the sky divers brought a dozen roses and presented them to Elinore Rodriguez, Homecoming Queen of 1983.

The Pep Rally - one of high school's most inventive creations to promote school spirit. "Come to the pep rally at 12:30 this Friday in the big gym," says our 2nd period teacher. Right then and there, the seeds of spirit are implanted. Feelings of frenzy are now floating in the air. But why are pep rallies the center of spirit?

The regular pep rallies are held every Friday during the year. Athletic coaches speak to encourage the fans to support the Don teams. The pepsters perform entertaining routines to excite the audience and to promote blue pride. Other groups are also featured in performances. Class signs, colorful streamers and balloons fill the gym as class spirit bursts into the air! This is a class competition pep rally. Each class competes for points toward class of the year. The class with the loudest and best organized cheer wins. The night pep rally gives everyone a chance to join in the fun. Parents come out to support their son or daughter's class. This pep rally is considered to be the rowdiest of them all as school spirit brings back memories to the parents and makes new ones for everyone.

Dashing Through The Don Gym!

In a continuing tradition at El Rancho, this year's Christmas assembly featured a new generation of Choraleers, Concert Choir and Band. The assembly opened with the Band playing *Christmas Joy and Spirit,* and other songs such as, *We Wish You a Cookin' Christmas,* and *Jingle Bell Jazz.* The Choir then took the stage performing *What Child is This?,* and *Away In the Manger.* The show then sparkled with the singing and dancing of E.R.'s own Chorus line, the very talented Choraleers. The music department spent two months rehearsing for this annual program.

Our community was treated to a night show and our student body viewed the assembly on the following day. Many thanks went to the director of the Band Mrs. Chandler, and the director of the Choir/Choraleers, Mrs. Collins.

Tina Lucero, Dorothy Spencer, and Frances Price perform with pride.

A Christmas Wonderland In The Don Gym

Hats off to the Girls' League Board and Miss Banks for having once again transformed the gym into the Don Ballroom.

The long hard hours put into the planning and decorating of this years Girls' League Dance really paid off. Over 150 couples attended this gala affair. They danced to the sounds of Sabor and ate the refreshments supplied by the Girls' League Board.

The theme of the dance, "A Christmas Wonderland", was carried out with beautiful sets and the costumes of the hostesses. A huge Christmas tree was set up in the middle of the Don gym, with presents, a rocking horse, and snow all around.

As Girls' League 1st Vice President, Laura Lopez put many hours of time and effort in guaranteeing that those who attend the dance had a great time.

"We got blue pride yeah, yeah, we got blue pride, yeah, yeah, we got b-l-u-e, we got p-r-i-d-e . . . " Ah, the echoes of cheerleaders yelling their team to victory.

But hold on! Their voices are too deep and their legs! Look at all that hair. And those uniforms. They look like two ton halfbacks in tights. What about those football teams. Are they wearing lipstick and nail polish? Wait a minute. The world hasn't changed overnight. It is just the 19th annual Powder Puff game.

The day's activities began with a rousing pep rally where the cheerleaders of both classes performed with gusto. That evening the game definitely started with a bang. The juniors stunned the crowd by scoring first and dominating the first half. The halftime show brought more performances by the cheerleaders and the traditional crowning of the Powder Puff King and his Court. No expenses were spared as the Junior Class flew in a fanous Armenian singer (a.k.a. Tanya Stiehr) to sing to King Eddie Fernandez. Junior prince Mario Reynozo and Senior prince David Gornik also enjoyed the entertainment. The juniors proved to be unstoppable in the second half of the game. After they scored two more times, the seniors finally made a TD and successfully went for two points. The final score was 20-8 with the juniors the decided victors.

Dons And Mickey Mouse

Mickey Mouse and friends were honored this year by the presence of various groups from El Rancho. The marching band, auxiliary unit, drill team and pepsters dazzled the crowds at Disneyland. They paraded through the magic kingdom's avenues with energetic smiles. Along with Disneyland's host of famous floats and characters, the parade was definitely a smash success .

The Donny Awards Of 1984

Throughout the year there are countless award presentations on television. You have your Emmys, Tonys, and the one and only, Oscar! But there is one award you won't see on any network. It is the Donny Award for the best in class skits. And this year's nominees for Best Class Skit of 1984 are:

The $19.87 Beauty Show (Freshman Productions) - Three beautiful Freshman girls and a cocker spaniel compete for the coveted title of $19.87 beauty. A realistic look at the world of beauty pageants.

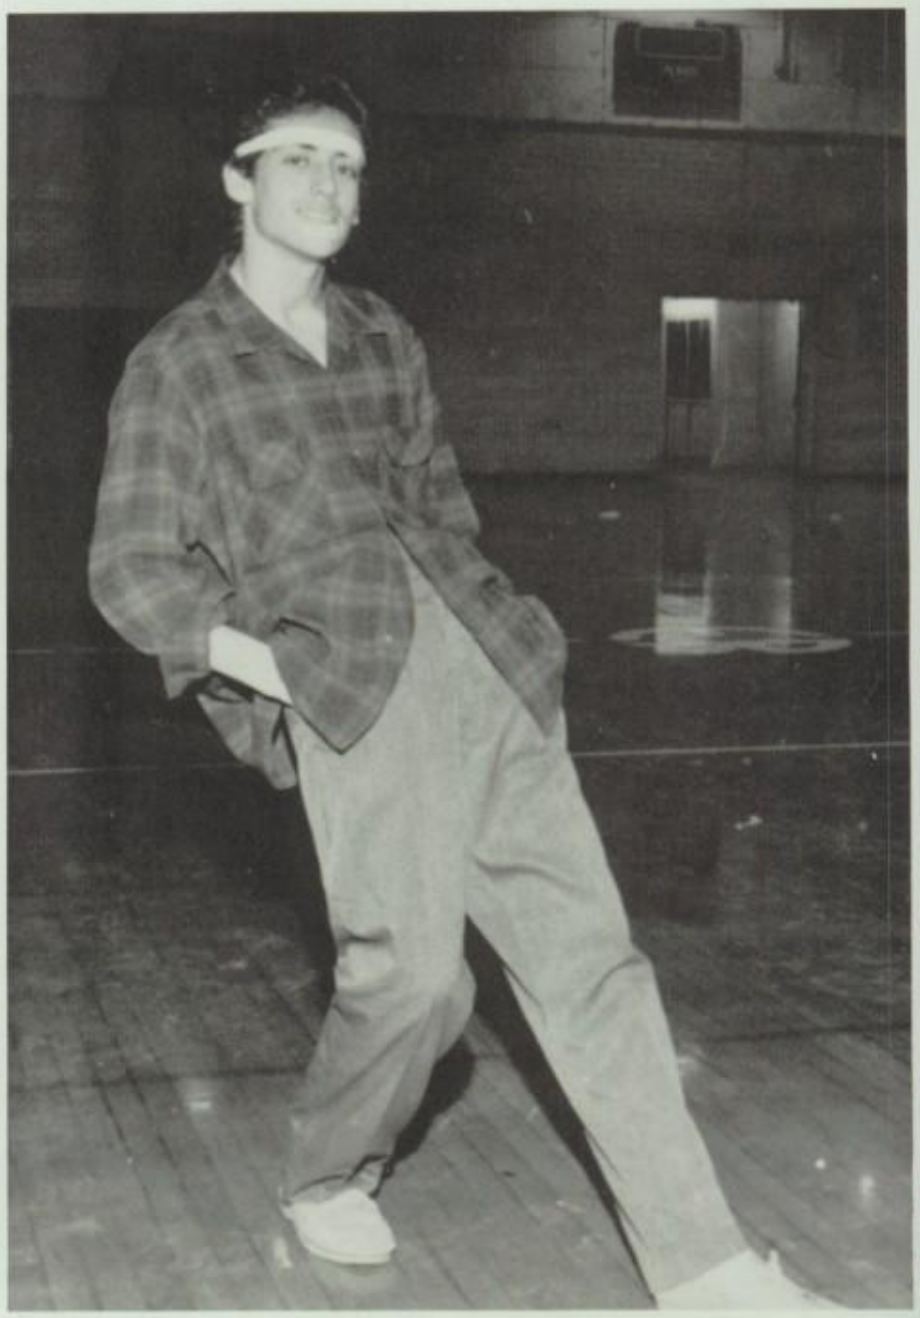
The Commercial Cavalcade of 1984 (Sophomore Productions) - Three comedy sketches parodying the advertisement industry. A satirical look at the freshmen, juniors, and seniors of the world.

Le Club de Junior (Junior Productions) - A bird's-eye view of the trials and tribulations of putting on a musical class skit.

Terms of Seniorment (Senior Productions) - A humorous but melancholy retrospect on a Senior's life in ERHS. A skit containing crystal clear memories of the way they were.

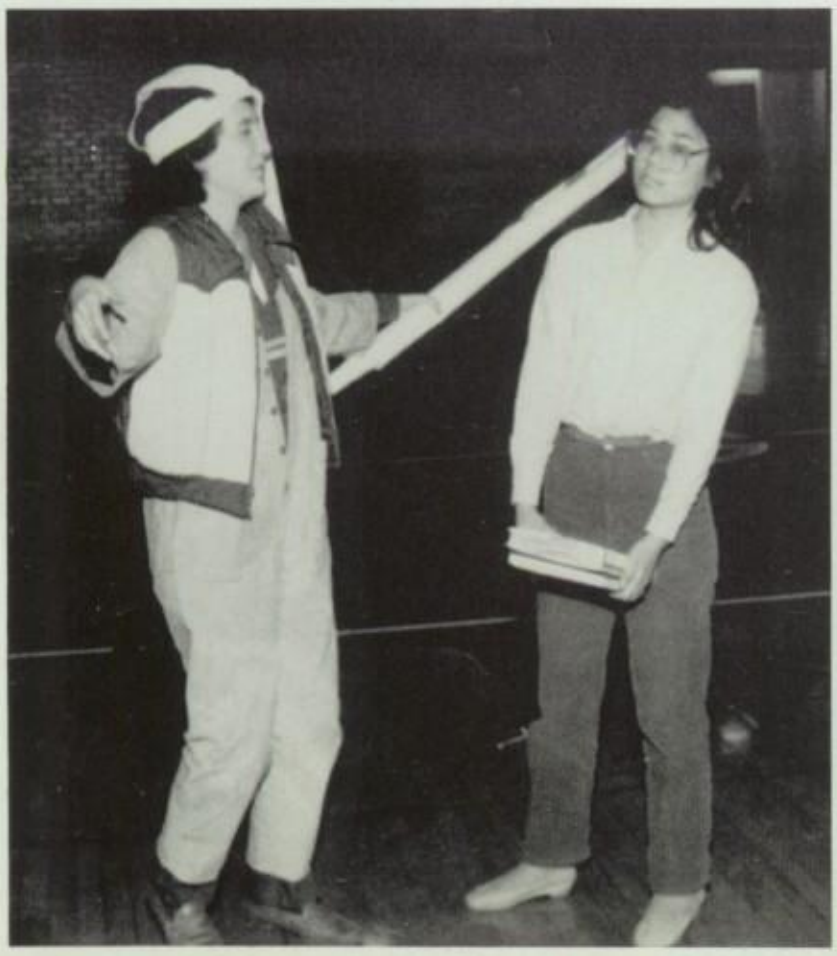
Now, the envelope please. The winner is, by one point, Terms of Seniorment. Le Club came in a close second. The producers would like to express their thanks to the class presidents who directed this year's skits. So folks, until next year, au revoir and Go Donny!

Leading her invisible little junior dog is Danielle Encheff.



Sir Vato Loco, Jimmy Delgadillo, strikes his famous orale pues pose in the Senior skit.

Senior Fairy Lilia Correon blesses "sophomore" Amy Saruwatari with the gift of Senior knowledge.



Singing the praises of the Junior class are Ursula Ulibarri, Tanya Stiehr, Steve Chavez, and Jorge Carreon.

Lisa Perez and Carolyn Ramos await the judges' decision while the real winner, Chewy Parra, stands modestly for the audience.

Susan "Momma" Santiago leads her baby Sandy Takatsuka to model for the crowd.

Reminiscing over memories at the Ranch are Mike Ponce and Charmaine Hauffen.

Ursula Ulibarri expresses her true feelings about Tanya Steihr's participation in the big production number.

But being the trooper she is, Tanya cleans herself off and proclaims, "The show must go on."

The Smell Of Grease Paint The Roar Of The Crowd

Under the Big Top was the theme for the 31st Annual Coed Capers show held on March 1st and 2nd. Over 100 girls worked hard to make this year's show a success. The girls had fundraisers such as bake sales and car washes to pay for their expenses. All groups were responsible for their costumes, props, routines, and makeup. There were eight groups in the show this year. The continuity group brought a little humor to the show. The four girls, Stephanie Douglass, Monica Galvan, Charmaine Hauffen, and Sylvia Urias, were responsible for announcing, through skits, the name of the next group.

On Friday's performance all the hard work and dedication were rewarded. As a twist this year there were two first place winners. They were the Happy Hilarious Hobos (Director-Linda Parra; Adviser-Julie B.) and the Fearsome Fantasizing Fortune-Tellers (Director-Pam Trujillo; Adviser-Anita Reyna). Second place winners were the Charismatic Snake Charmers (Director-Ana Marquez; Adviser-Sandra Wilson). The Loveable Looney Lions (Director-Cathy Casillas; Adviser- Anita Reyna) were the recipients of the third place award. Ringling's Ridiculous Ringmasters received the Sportsmanship award because of their amiability towards the other groups. The Children's Choice award went to the Komical Konzy Klowns because the Special Education children liked them the best.

The Belle Of Winter Sports

Twenty years ago an idea was sparked in the minds of El Rancho's students. They were not satisfied with only having a Homecoming Queen. They needed something more. Thus, the idea of having a Winterbelle Queen was born. From 1964 to 1984 this activity has had few changes. Six Senior Girls were nominated for the title of Winterbelle Queen. They were nominated by the winter sports teams and the House of Representatives. The candidates were Toni Aguirre, Joan La Fountain, Michelle Medina, Maggie Meza, Yolanda Santoyo, and Idali Serrano. During halftime at the game against Santa Fe, the court was crowned by last year's Queen, Deanne Unzicker. Yolanda Santoyo was announced first as one of the Winterbelle Princesses. Then Idali Serrano was crowned as the other princess. Finally, the big moment arrived. Maggie Meza was crowned Winterbelle Queen. To end such a glorious day, the Don Globetrotters went on to win the game against Santa Fe 45-30.

Donna Of The Year?

"Donna of the Year" Candidates: Ana Marquez, Carol Uribe, Maria Salcido, Elinore Rodriguez, Lydia Valdespino, Laura Lopez, Monica Rios, Christina Boyce.

Each month at El Rancho a girl is chosen as "Belle of the Month". A girl's good grooming, friendliness, grades, citizenship, and school spirit were the key factors in being nominated. Prior to the choosing, suggestions were placed in a box in the girls' locker room. Towards the end of the school year the entire population of El Rancho's girls vote for who they think is most deserving of the honor "Donna of the Year". To be chosen for this honor a girls must have been chosen as "Belle" during her freshmen, sophomore, junior, or senior year at El Rancho.

At the installation assembly held on April 11, 1984, something occurred that has only happened three times in the history of Girls' League. There was a tie. Ellnore Rodriguez and Carol Uribe were named "Donna of the Year."

Senior Debates: First Row: Rosita Valdez, Cynthia Ramos, Rosa Lopez, Natalie Ponce. Second Row: Ivette Ramos, Trini Chacon, Innes Morales, Debbie Martinez, Rhoda Burton. Third Row: Vince Gomez, Joe Segura, John Ward, Jim Arnold.

Junior Debates: First Row: Velia Garcia, Anne Marie Atencio, Leilani Monroe. Second Row: Steve Chavez, Norma Vega, Vicky Takatsuka, Jorge Carreon.

Sophomore Debates: First Row: Danielle Encheff, Bonnie Chavez, Lucy Huerta, Albert Ayala. Second Row: Noel Aguilar, Frank Quinones, Nelson Guirardo.

Freshmen Debates: First Row: Beatrice Cruz, Christine Cruz, Yvonne Garcia, Trudy Limh. Second Row: Chris Smith

Verbal Battle Of The Classes

The Fifth Annual Sherman Debates started off with two changes this year. Instead of only three teams, there were four because of the added freshmen class. The other change was that instead of holding the debates during lunch in the Little Theatre, they were held throughout the school day. The topic debated this year was "Resolved: That the United States should establish uniform procedure governing all criminal courts in the nation." The Freshmen were coached by Robert Hayes. Connie Battu coached the Sophomore team. The Juniors were coached by Laurie Lane and Kathy Beck. The Seniors were coached by Gary Barton.

This event was praised by all, because not only did the students learn facts, they also learned how to work as an organized group, and how to speak in public. For the effort and time that was put into this event, each student received a plaque.

And The Winner Is . . . ?

The Class Of 86

My Fellow Sophomores,

Well we did it. We made the transition from junior high to high school. We should be proud! The experience we have gained will be a major advantage for us in our years to come. The challenges we must face are much more complex. We will no longer be the new kids on the block.

As Sophomore President, I've tried to ignite the spirit that made the seniors and juniors so ecstatic in pep rallies. I must say, it has been more than a pleasure representing the Sophomore class. I'd like to express my sincere thanks to the class advisors, the Sophomore class cabinet, and especially the Sophomore class. Once we come together, we will be awesome as juniors! Have a great summer and keep your Blue Pride alive!

Sincerely,
Lorena Arellano,
Sophomore Class President

Friends Stick Together To The End.

Darren Richardson and Victor Castillo enjoy eating their lunch in the quad.

What is a friend? In the dictionary the definition of a friend is "A person who knows and likes another", but we all know there is more to the relationship than those words. A friend is someone who sticks by you in good times and bad, someone you can share a secret with, laugh and joke around with, and someone you can talk to when you're down, or when you just need a shoulder to lean on. Friendship through high school is memorable. You often reflect on times you shared with your friends. It might have been doing homework, going to football games, or just hanging out. You always remember little things like that. Sometimes we don't stop to think how it would be without friends, but let's just be thankful we have them.

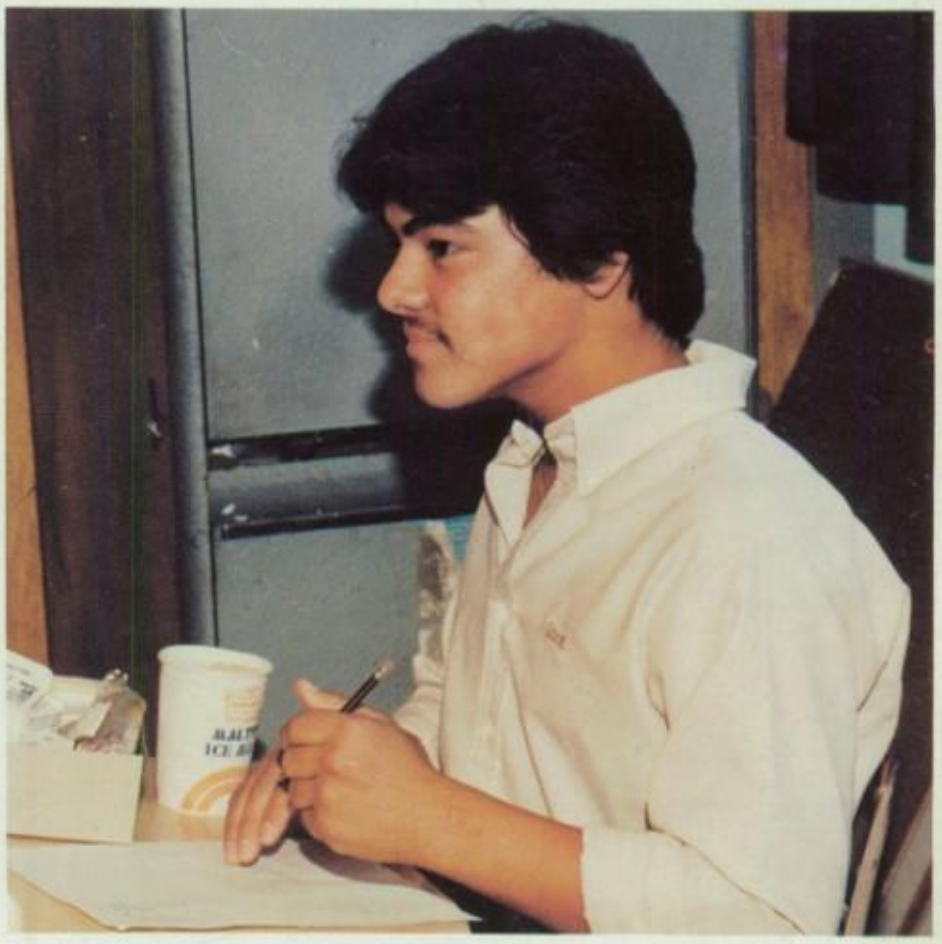
Loretta Llamb comments on a planned activity.



Tom Rico listens attentively to what is going on during a meeting.

Lisa Molina is so happy to be a Spanish Club member.

Every other Thursday Spanish Club members met in 0-4 with their advisors Ms. Pulido and Ms. Beni. They discussed various fund raisers. They came up with some original ones as well as those that are traditional. Some of them were having a pre-Christmas sale in November where the members sold oriental fans, coin purses, and wallets. They also sold baby stuffed animals. Over the Thanksgiving holiday they took orders from friends and relatives for either large stuffed animals or small ones. And, of course, they held their traditional candy sales.

The money that was raised during these events went for very good causes. They gave every teacher a carnation on Teacher's Day. This was a well received surprise, especially from all the new teachers at El Rancho. The most important event that took a big hunk out of the Spanish Club account was the International Banquet held at the end of the year. This banquet brought together the two other language clubs and also gave the students who attended a unique experience in the culinary delights of other lands.

President Debbie Esparza and Vice-President Ann Cortez got the thirty-five members organized enough to enable them to pay for all the things they wanted to do.

El Rancho's House of Representatives is an important organization comprised of students elected from their homeroom classes. They are responsible for relaying school information to and from their respective second period classes. As Speaker of the House, Rosa Lopez and her group are also responsible for passing bills and rules and the nominating process of Homecoming and Winterbelle candidates. It sure is a long way from Washington D.C. to the House meetings at the Ranch!

MESA-Math, Engineering, and Science Association. This group of students met every Wednesday during lunch in B-201. The purpose of their meetings was to help the students with any math problems they had and, most importantly, open their eyes to all the different fields that they could enter with a strong math background. The students were helped with their math problems by a tutor that came every Monday, Wednesday, and Friday. The officers along with advisors, Joy Tanigawa and Tom Devin kept order at all of the meetings. MESA was also lucky enough to have a few guest speakers from various colleges come to talk to them. CSF-CSF is the only group whose membership depends solely on academic grades. A student had to have 10 points at the semesters end to be able to be a member (an A=3 points and a B=1). Amy Saruwatari, Academic Affairs Commissioner, and advisor Dr. Robert Hayes were the people in charge. CSF is a very good group to be in because it can help you gain recognition from colleges and make scholarships available to you. CSF also held fund raisers to attend a few college seminars to make a trip to Disneyland.

Included in the picture below are: Laura Aguilar, Andy Almanza, Belinda Andrade, Andrea Angulo, Tacho Baeza, Jose Brito, Asima Butt, Robert Carroll, Edward Castellanos, Gabriella Curtev, Trinidad Chacon, Lily Chan, Bonnie Chavez, Danielle Enchell, Cathy Estrada, Donna Galvan, Denise Garcia, Lisa Gonzales, Lucy Huerta, Ramiro Juarez, Aimay Lee, Gina Lim, Trudy Lim, Steve Makshanoff, Susan Makshanoff, Giovanni Miraya, Caesar Molina, Lorraine Munoz, Gwen Parga, Liz Pedroza, Natalie Ponce, Martha Salas, Amy Saruwatari, Jose Serrano, Christina Smith, Bertha Sotelo, Vicky Takatsuka, Rosita Valdez, Claudia Vega, John Ward.

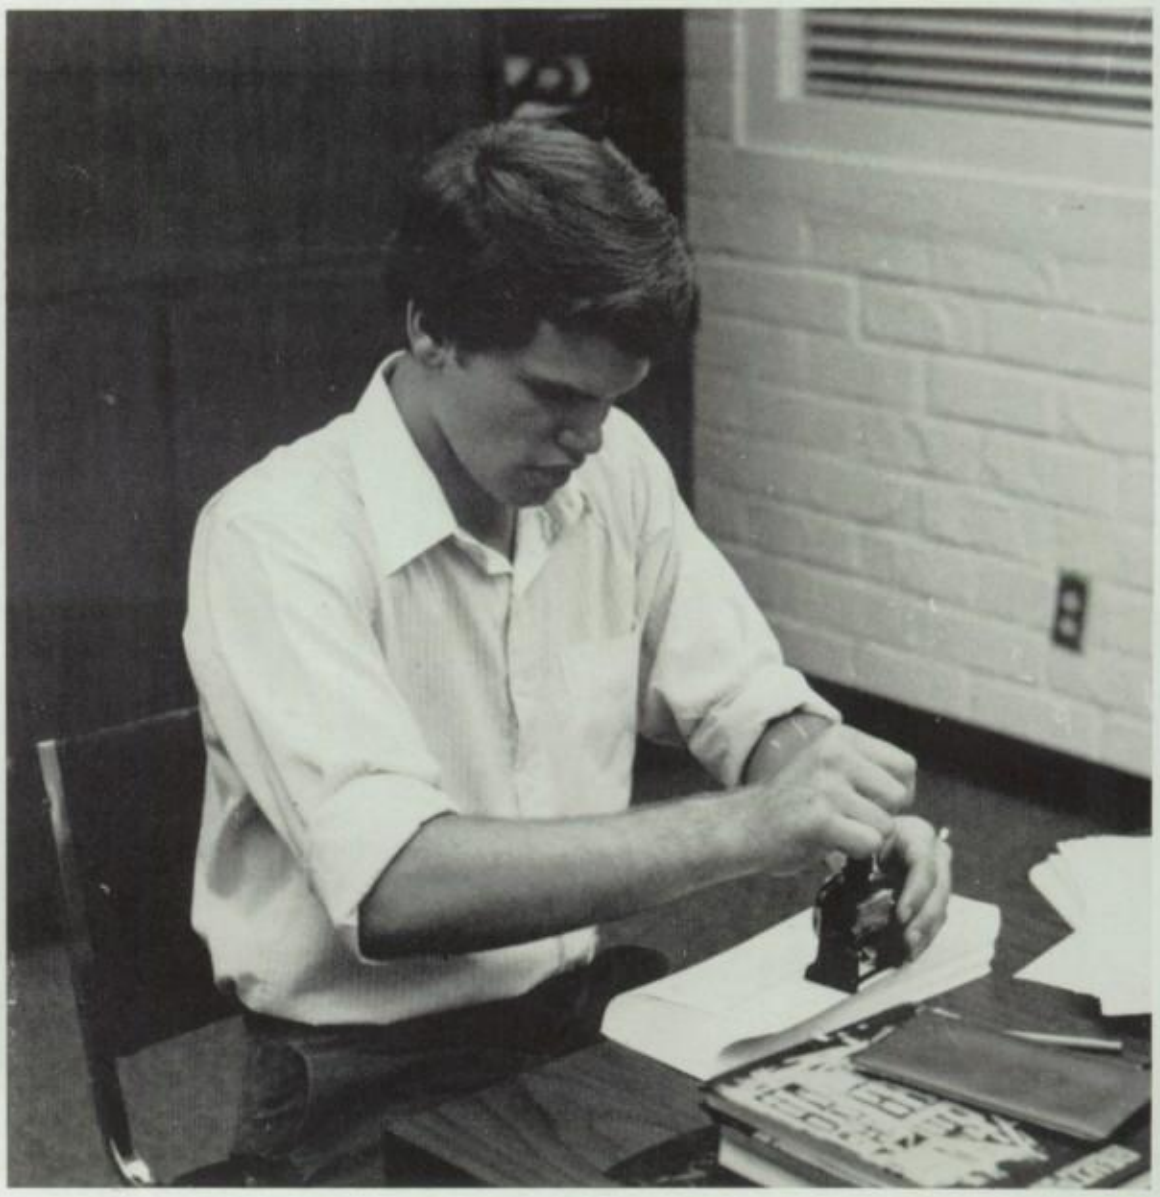
Advisor-Julie Ellis. She will advise no Exec. group before its time.

Clay And Co.

The Executive Commission or "Exec" as it is affectionately called by its loquaceous members, is the living soul of El Rancho's student body. Every morning, behind closed doors, at exactly 8:10 a.m., this motely crew of boys and girls spark to life. Many discussions occur within an hour's time span. Approvals of candy sales and school activities come from the eighteen members involved. Led by ASB President Clay Blackmer and advisor Julie B. Ellis, the 1984 Exec group has emerged as a most ambitious and successful group. This fact is evident by their infamous Christmas tree sale and their having raised over $5,000.00 for Project Clifford.

Michelle, Jackie, Lilia, Terry, Jimmy, and Amy count a days total from Project Clifford.

Lydia Rodriguez confidently addresses the student body.



Clay helps out by preparing ballots.

Christina Boyce proclaims, "Nothing will separate me from my saw horse!"

Terry Singleton prepares a flocked tree for delivery as a future El Rancho Student watches.

Jorge Carreon races a Christmas Tree to the finish line.

Directly above-Thoroughly enjoying Fridays football game is E.R.'s Drill Team.

E.R. Donnettes Move With The Groove

New York's claim to fame may be the Radio City Music Hall Rockettes, but who needs them? We have the E.R. Drill Team. Under a new advisor, Sandra Wilson, the Drill Team Donnettes have emerged with a new look. Their uniforms have more pizazz and their dance routines are more spectacular than ever. Their main goal this year was to strengthen their weaker points. Another goal was to add to the group and make El Rancho excited about the group to make girls want to join. Sharon Carlson (Head) and the Drill Team have put a lot of their time and effort supporting the Dons. Their hard work at practices has really paid off for them. At several parades they competed in, they scored fairly high. In two floor competitions, they won first place. Advisor, Sandra Wilson commented, "I am really excited about being here and working with the girls." She also commented that she felt strongly about the girls "being at their best, at all times, not only in competitions." With the good attitude that the Drill Team and Advisor had, they were able to go to more competitions, and place high. El Rancho really has a Drill Team that we can be proud of.

Clockwise: Marsha Calson displays her marching talent at halftime. Sandra Wilson, Drill Team advisor, happily poses for the camera. Olga Molina, Vivian Guzman, and Jeannie Therrian proudly march into information. Rene Martel just loves to perform for the crowd.

Student Council: Row 1: Sandy Diaz, Lillian Lugo, Liz Bazan (Chief Justice), Hortensia Lopez, Liz Pedroza. Row 2: Loretta Llamb, Rosa Lopez, Ann Cortez, Rosita Valdez, Monica Rios, Kathy Perea, Martha Salas. Row 3: Luz Hernandez, Vivian Caldera, Yolanda Santoyo, Liz Ortiz, Peggy Corral, Natalie Ponce.

They Served The Community

The Student Council group was led by Chief Justice Liz Bazan. The members were selected by the applications they submitted early in the year. The students chosen were exceptionally busy right from the start. The first fund raisers were car washes held to raise money for Project Clifford. The next fund raiser on the agenda was to raise money for t-shirts. Members collected cans for the food drive held in November. They also helped with the PTA bake sales. The most unusual aspect of this group is that it was the only service group on our campus.

Middle left: Rosita Valdez and Natalie Ponce spend lunchtime discussing an idea. Lower left: Vivian Caldera, Liz Bazan, and Martha Salas get together to plan their next car wash. Directly above: Hortensia Lopez and Ann Cortez look over a Christmas tree announcement.

Yell Leaders-Bottom Row: Co-Head Debbie Esparza, Maria Salcido, Head Kathy Barreras. Top Row: Linda Parra, Shari Laucik, Karen Barreras, Lydia Rodriguez, Anne Milanez.

Gracie Vasquez has got it, there's no doubt about it.

Yell Leaders perform a great stunt for the crowd.

Song Leaders-Bottom Row: Monica Rios, Susana Espinoza, Head Sue Gamez. Top Row: Vicky Takatsuka, Co-Head Cathy Estrada, Debbie Ramirez.

Pep, Spirit, And Blue Pride

M-A-A-R-V-E-L-O-U-S intones Linda Parra, Lydia Rodriguez, Maria Salcido, Anne Milanez, Debbie Esparza, and Shari Laucik.

Julie B. is ready to start the song leaders' music.

Kathy Perea peeks around Elinore Rodriguez' flag.

Vicky Takatsuka and Cathy Estrada make a good team.

The girls in blue and grey you see during halftime at football and basketball games, pep rallies, assemblies, and competitions are some of California's most lauded pep groups. The 1983-84 Songleaders, Yell Leaders, and Flagsters follow a hard earned tradition of being one of the most respected and winning pepsters groups in the area. And by the trophies these girls have won over the past year, E.R. continues to follow in the tradition of winning groups. In addition to performing with an amazing storage of energy, the squads raised money to help lessen uniform and Pepster camp costs. But something must be said about their advisor, Miss Ellis, who has been advising the E.R. Pepsters for over ten years. Without her constant pushing the girls toward perfection, the groups would not have achieved their status as one of the state's best groups. Pepsters, you've got it, there's no doubt about it.

Lydia Rodriguez enjoyed herself during the Pepster car wash which was held for Project Clifford.

"Squirt the car, O.K.?" asks Susana Espinoza.

Smile if you love the Sween.

Karen Barreras keeps those thumbs tucked.

Anthony Rios, Pat Aguilar, and Adrian Lugo wait for their cue to begin to play.

To Quality Music

Flute players are always ready to perform.

E.R. Drummers really concentrate on playing drums at the Welcome Assembly.

Do you want to be a part of one of the largest and most active groups on campus? Why not join band? Their new white and navy uniforms are a source of great pride to the group. Community and school support groups helped to raise the $25,000 for these new uniforms. These active band members perform in parades, halftime shows, assemblies, and many fund raising events. All of these activities require many hours of long and hard practice. This year's band was under the direction of Susanne Chandler. With her help and guidance the musicianship of this group was greatly improved. This was indicative by the many trophies they earned from the various fall parades they attended. Drum Major Robert Alicea led the group in the parades.

In the past there have been some very unique and talented Band Auxiliary groups and this year was no exception. Under the direction of new advisor Sandra Wilson, the groups underwent many changes. Among these various changes were uniforms and style. Their new uniforms had eye catching appeal. These girls presented a different look and attitude towards performing. They added excitement and pizazz to their routines. They contributed sparkle to halftime shows with colorful flags and banners. On weekends they attended parades and competed against other high schools. Their routines were judged on precision, originality, and difficulty of routines. The payoff for their hard work was the many trophies they brought back to the Ranch.

The Banners and Tall Flags proudly marched on the Don field.

Extra, extra, read all about the latest Ranch news! Learn more about what goes on in your school by reading El Rodeo, our answer to the New York Times. Led by Editor Hortensia Lopez, Co-Editors Lilia Carreon, and Laura Mendoza, and advisor Tim McMullen, the journalism staff informed the high school community on what is happening around our campus. Although a little low on experienced staff members, this year's staff churned out a lot of information with feist and spunk. Watch out Jerry, Walter, and Barbara. The high school journalists of today may be the newspeople of tomorrow.

Ana Marquez shows staff members the final results.

Laura Lopez and Miss Banks go over last minute details of the Girls' League Formal Dance.

Thirty One Years Of Tradition

What is one of the most active organizations at El Rancho? If you guessed Girls' League, you would be right. From the very beginning of September the Girls' League was active. Meetings were held every month to vote on a belle of the month. This was a high honor and a girl was chosen on the basis of good grooming, friendliness and school spirit. Some events which Girls' League sponsored were considered highlights of the year. They presented the "Mother-Daughter Dessert" which was a special evening for a mother and daughter to spend together. The Doll Contest and Cotton Day gave girls the opportunity to complete and show off their sewing talent. Another event was the Girls' League formal dance. This elegant event gave girls the chance to ask the boy of their choice to escort them to this very special dance. The most popular event is Coed Capers. It is a show which takes a lot of time, effort, and energy to present. Girls put together a dance routine, design and make their own props and costumes and perform not only for the El Rancho student body, but also the Whittier handicap school.

The Girls' League has been in full force since 1953. For thirty-one years, Girls' league has offered special programs and have provided girls with the opportunity to get involved and make friends.

E.R. IS ALIVE

The Concert Choir and Choraleers have had an illustrious year. Both groups have an immense amount of talent. They have had many opportunities to show their full range as entertainers in various competitions and school assemblies. Although a major portion is comprised of new and younger voices, the Choraleers still have kept their professional appearance. The Choir has increased its membership considerably and the voices are much stronger. The groups have sung and danced at the Christmas assembly. They have awed the folks at the Bel Air Convalescent Home, Beverly Towers and various men's and women's clubs. Judges at the Nogales competition were also among the many people impressed by these students' musical knowledge. As their advisor, Elaine Collins commented that they have changed their look and also made great strides as performers. Both groups should be singing their sweet songs of success. They sure have come a long way!

Of the many uniforms here at El Rancho, one of the most highly respected and recognizable is that of the ROTC. This group had some of the most hard-working and disciplined students on our campus. The members spent many long hours practicing for the competitions they would enter. Their advisors were Capt. William Steinken and Sgt. W.M. Miller. ROTC members were also active on the El Rancho campus. They participated in the daily raising of the flag in the morning and they also presented colors at football games and assemblies. In this group the students were taught self-discipline, self-reliance, responsibility, and leadership.

El Rancho High is now presenting the 1983-84 Drama Club. We invite you to experience the mirth and magic captured in the following photos. So, join the members of the E.R. Drama Club as they enter, stage left.

One of the most unusual and unique clubs on campus is the Drama Club. Led by advisor Stan Wlasick and President Jim Delgadillo, the members step away from the usual club image. They are more of a family. Apart from that, the Drama Club has fund raisers, they watch live tapings of various television situation comedies, and some of the members were able to afford to go to New York during Christmas vacation. These lucky people were able to see some Broadway plays and spend New Years Eve in Time Square.

John Hernandez begs Jorge Najar, "Let me watch "Leave It to Beaver!"

The words you have just read are from the German language. Translation: The German Club is totally crazy. As Advisor Diana Malazian pointed out, in reference to their many candy sales, "We're also one club that really promotes tooth decay!" The funds garnered by these sales gave the club members an opportunity to see a German film, read a German periodical titled Bunte, and gorge themselves at the International Club Banquet. Thanks to President Sandy Diaz and Mrs. Malazian, students of the German Club Auf Wiedersehen.

The Universal Language

The Agape Club represented a spiritual love that the members shared this year. They grew together in Christ. The members really considered this kind of unity as a loving fellowship. Even though they came from different denominations, they each contributed to making the club unique in its own way. They met every morning and twice a week at lunchtime to read God's Word and to share their spiritual experiences. This year they did not have a Bible study leader, but they did not need one because their confidence in God encouraged them as individuals. Their committment to the Lord lead them to unite together to seek His guidance. They held bake sales and candy sales to raise money to buy Bibles and witnessing tracts. Miss Tanigawa was the advisor. The members' deep love for the Lord made them a very special group of people.

Parlez Vous Francais?

Parlez-vous Francais? You don't have to if you are in the French Club. Along with the wisdom of advisor, Mrs. Edwina Rollo and president Maria Popa, the French Club accomplished their goals with a continental flavor. Their numerous fund raisers provided many exotic events such as seeing a French movie and their end of the year French banquet at an authentic restaurant.

Who said that annuals grew on trees? The true secret lies behind the closed doors of B-101. Just ask any Annual Staff member who discovered how difficult it was to produce a 305 page yearbook, as opposed to last year's 254 page book. This increase in size boggled our minds and considerably moved up our deadlines. It also put added pressure on us, which sometimes drove us to the brink of insanity. There were pictures to be cropped, captions to be written, people to be identified, and last, but not least, that sometimes horrifying word, "copy", to be written. Despite all the frustrations and problems, Annual Staff managed to pull through.

Sound the trumpets, Kids! Our class, whether you know it or not, is the first freshman class since the class of '67. What an honor! The change from junior high to high school seemed a little difficult. Such a big school with big people, new rules, teachers, systems, and classes. There was so much to understand and experience, but as the year continued, the blue pride bug was in our system and we had become El Rancho Dons.

It has been a special honor representing the class of 87. I feel it was a learning year. I want to say thank you to our advisors and cabinet for their guidance and support. Without them, I wouldn't have been able to do many things. As we look toward our upcoming sophomore year, we must hope for it to be even more successful than our first year. We will remember how El Rancho helped us to unite. We are the Class of 87.

FACULTY

A Dedicated Administration

In his seventh year as our principal, John Sherman has passed his most strenuous test. He led the faculty and student body in the task of integrating 1400 new students (instead of the usual 650) into the mainstream of El Rancho High School. With a consistent emphasis on students being to class on time, keeping on task, the raising of test scores, and good daily attendance, Mr. Sherman and his fellow administrators have helped to raise the level of competence of our students.

The guidance department consisted of three deans and four counselors. Mr. Hogan assumed the responsibility of this department. Class schedules and the various aspects of discipline took up much of the time for the people in this area. With the addition of a new grade level, Ms. Sonnefield has enlarged the curriculum to fit the needs of four classes of students. As our new assistant principal, Mr. Narvaez has been a welcomed addition to the administrative team.

This year we gained thirty five new faces in the Faculty Center. With the addition of 9th graders came new faculty members. These people have proved to be a boon to El Rancho. Just imagine how many more pearls of wisdom have been added to an already glistening strand. In this modern day and age, there is more than Reading 'Riting, and 'Rithmetic. We're in the computer age. The current curriculum has been beefed up and the results are impressive. Microcomputers for the future technical motivated students. Aerobics for the health conscious. And all the old favorites, English, Math, and Science. El Rancho, we've come a long way in education.

Longer Than 9 To 5'ers.

Teachers are the unsung heroes of the educational battle. With long hours, kids who just resist wanting to learn, and marginal pay, what can a teacher do? They just try harder. No matter how long they burn the midnight oil correcting tests or making lesson plans, they always seem to become more dedicated to making sure a student is educated. So, students take heed. When you complain about too much homework or tests, just figure what it is like from a teacher's point of view. Try to learn. You owe that to a teacher.

Everything You Wanted To Know About Your Teachers But Were Afraid To Ask

Besides sitting behind desks, some of the Ranch staff like to do interesting things. Here is a little sample of some of our teachers' hobbies: Welding, Body Surfing, Quilting, Flying, Scuba Diving, Mushrooming, Beekeeping, Barber Shop Quartet, Greek Literature, World Religions, Scouting, Water Skiing, Trail Building, Listening to Joan Rivers, Entomology, Sports, Reading, Retiring!

Clockwise: Ms. Lund, Mr. Norman, and Ms. Morehouse wait for the night pep rally to begin. Mr. Anderson, on the way to Junior Team. Mr. Peterson impresses the student body with his intensity. Faculty members enjoy one another's company while waiting for the Homecoming luncheon to begin.

Board Of Trustees

The seven members of the Board of Education are elected by the Pico Rivera Voters. These people meet every other Tuesday and make many important decisions concerning the El Rancho unified School District. Educational issues such as the proficiency tests, curriculum development, attendance policies, and school discipline filled their time. Their dedication and concern for young people are exemplified by the many hours they spent at various school functions.

District Administration

In his third year as district superintendent, Dr. George Plumleigh has guided us through such issues as the state funds being cut, school closures, teachers' contracts, and innovative curriculum inservices for staff members. Deputy Superintendent Thomas Sakalis has been a part of our district for over thirty years. His expertise in the areas of business finance, and personnel have been a great help to the district. Robert Martinez is the assistant superintendent and his responsibility is in the area of curriculum. General test scores have improved under his tutelage.

On May 4, 1984 twenty-two of El Rancho's seniors took over the city of Pico Rivera. Five of the seniors were elected to their positions by their fellow classmates. These five then appointed the rest of the seniors to their positions. Their job was to keep all things running smoothly and just go on with the daily duties of their counterparts. Prior to this day, the seniors had done research on ways to improve Pico Rivera. These ideas were put to the approval of the Council at their mock meeting.

The students weren't always hard at work though. On May 17, 1984 all the students went to our state capital in Sacramento to view the California Legislative body at work. This program is an excellent idea because it brings out the leadership abilities of the students involved.

Achievers And Challengers: B Of A Awards

The Bank of America awards were started in 1948 for the Los Angeles area high schools. The purpose was to recognize and honor seniors who were exceptional in their specific fields. The seniors are chosen by a committee of teachers and school administrators. Although scholastic ability is a major factor in selecting the candidates, participation in school and community activities is also evaluated.

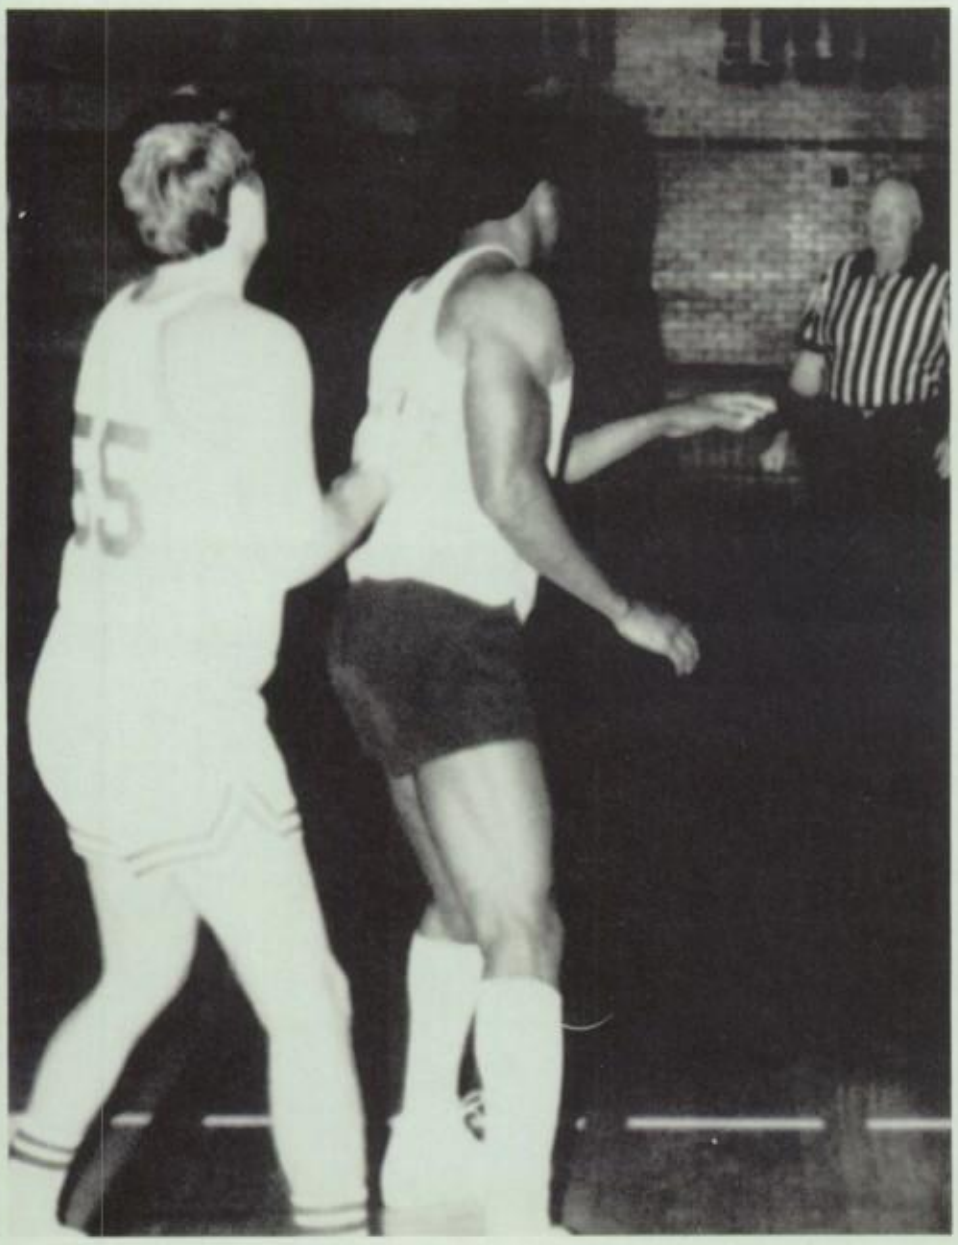
L.A. Raiders 68-E.R. Dons 62

How many coaches does it take to stop Marcus Allen?

Otis McKinley leaps high over the heads of Rod Martin, Mike Goff, Dan Marshall, Jim Marin, and Marcus Allen.

Mike Goff and Dan Marshall attempt to play "keep-away" from Hulking Howie.



Guido Meza is just no match for Howie Long.

Don Peterson makes a valiant effort to block Howie' shot as Rod Martin, Doug Anderson, and Guido Meza get in position for the rebound.

The coaches worked for weeks on their moves. They were psyched. The Raiders were coming to town. On March 21st, fourteen hundred spectators watched El Rancho's finest do battle with the Superbowl Champs. The game was basketball and Marcus Allen and his crew were prepared to do battle. Both teams were anxious to prove their worth. Even though the Don coaches lost by a very small margin (68-62), it was a good game and well worth the effort that everyone put into it.

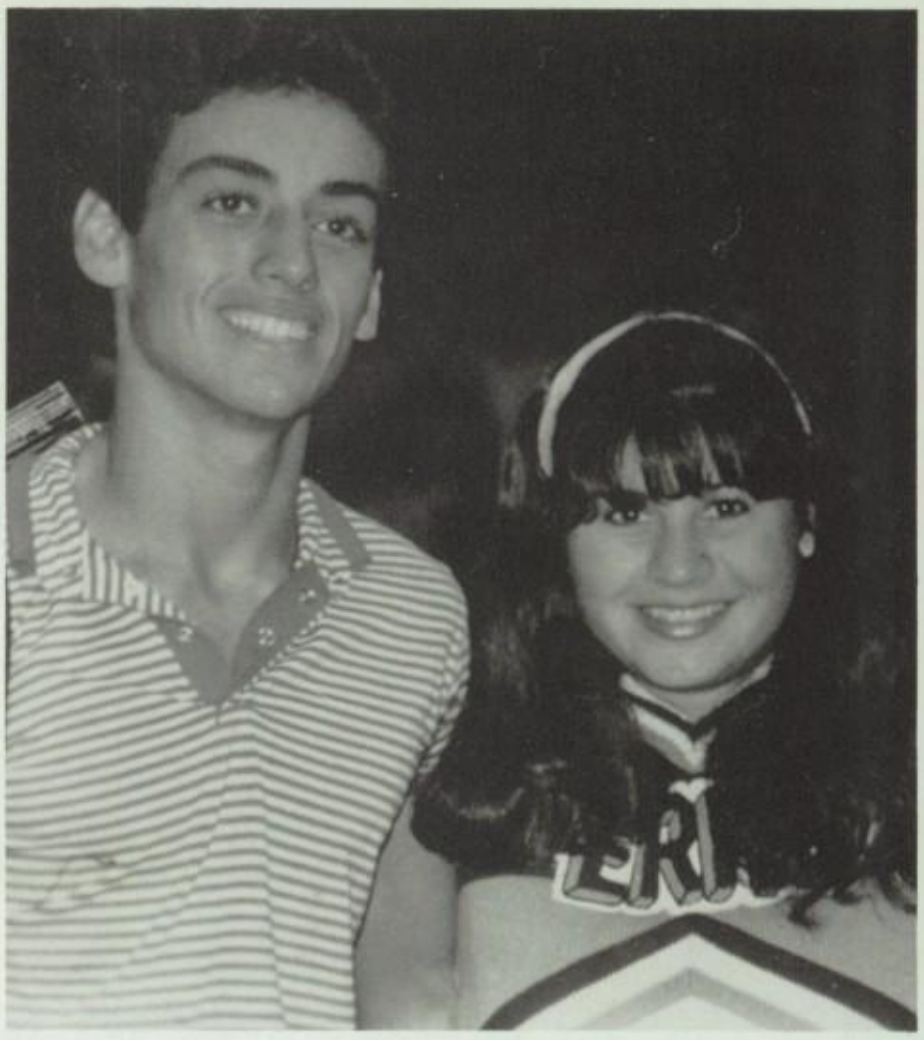
The Smiles We Shared

El Rancho is one big happy family. We've always banded together when the need arises. Pep rallies, the March of Dimes, and Canned Food Drive are only three activities that helped bring students closer. There were so many other ways E.R. students showed their sportsmanship (class debates, class skits, sports teams, . . .)

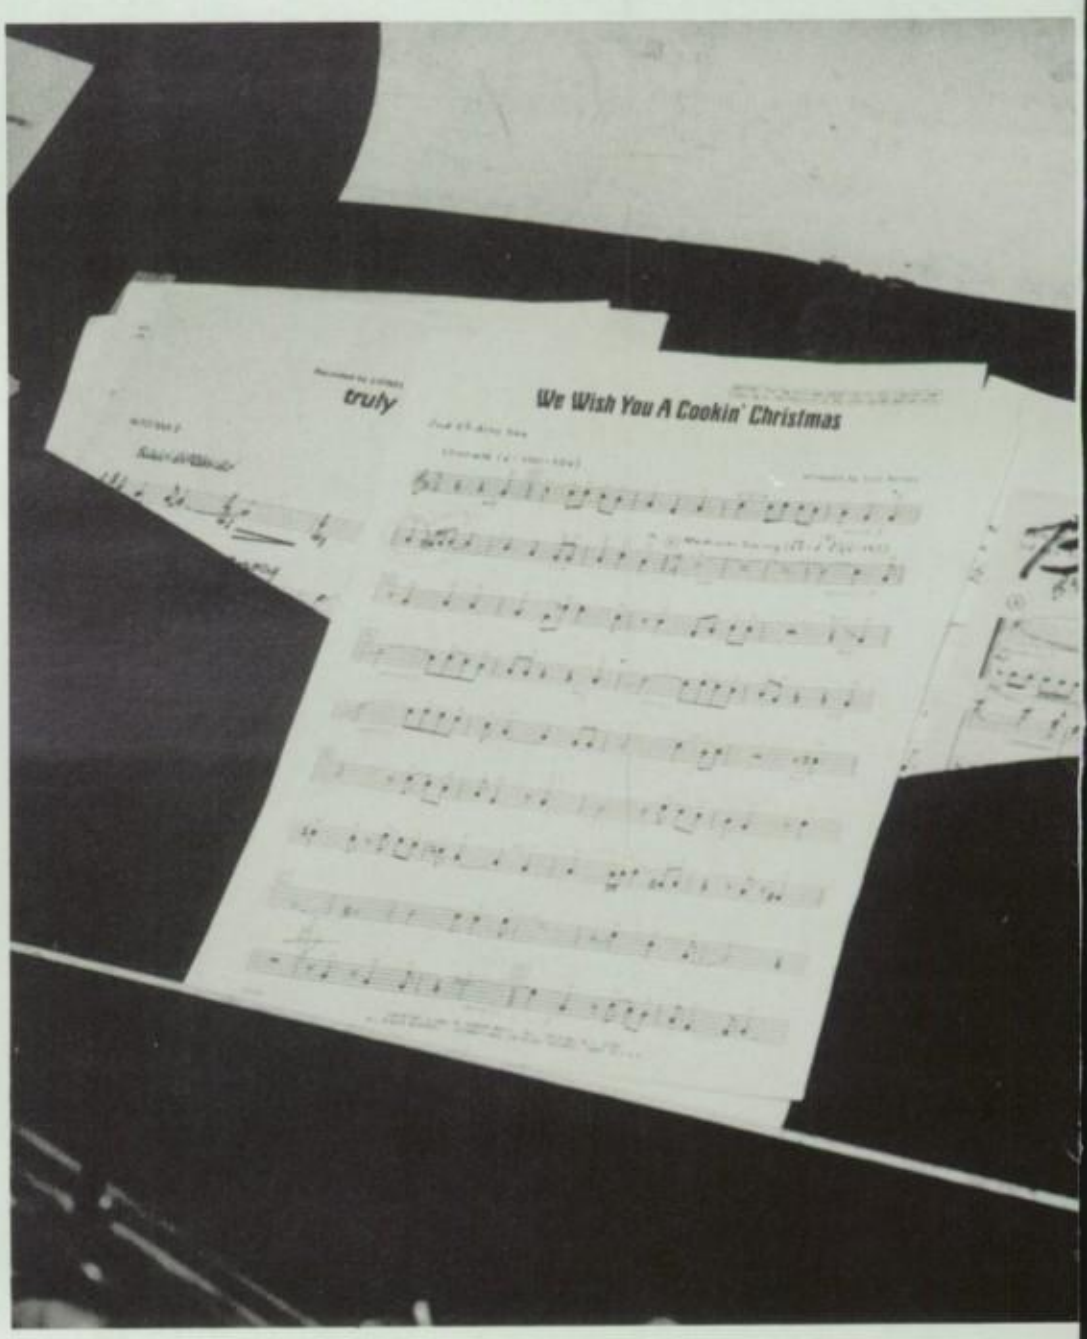
Banding together for our own personal gain was not the only reason we came together. When the time came to raise the money for Clifford Garcia's much-needed computer all the classes, organizations, and faculty strived to raise the $4,000. No thought was given to the fact that the money was going to only one person; being able to help a fellow human being live a better life was incentive enough. Almost everyone gave their money willingly and with a smile on their face.

Miss Banks also gave cause for people to join together. Co-ed Capers' main purpose was to allow girls to help raise money while having fun. The money went to the annual scholarships given out to Senior girls. Once again, no thought was given to personal gain, but to help others.

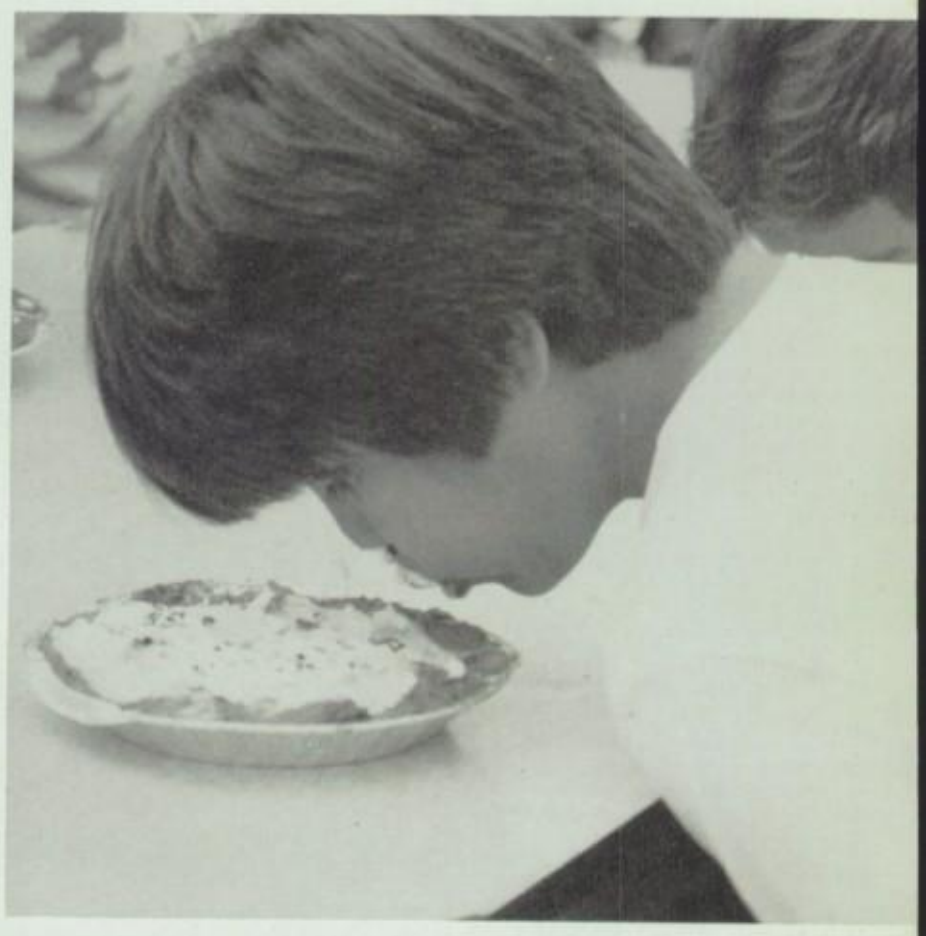
El Rancho students have always been willing to help each other. Their time and effort were always given with a smile on their face. None of the students would begrudge anyone their help whenever the need arose.



Janet Banks has been a strong contributing factor to the maturity of El Rancho High School. For thirty years she has maintained consistent high standards in her classes and in Girls' League. There are few teachers who are willing to spend so many extra hours on our campus. We appreciate and will continually try to live up to the high standards she has set up for us.



Past Activities Of El Rancho



Unforgettable Sights

The year is finally over. Once again the "Por El Año" has come up with another fitting theme. "We've Come A Long Way" says just what we mean. Slowly but surely, things have changed on the campus of El Rancho. Traditions handed down have been modified to fit our own needs. El Rancho has borrowed ideas from the past and made them our own. One thing has not changed. The pride and dedication all of El Rancho's students have to strive to make "The Ranch" the number one school around is still present. The Senior Class raised over $200 for the March of Dimes (they also collected over 900 pounds for the Canned Food Drive); the Junior Class won almost every pep rally; the Sophomore Class strived to make a name for itself; and a half of the new kids on the block, the Freshman Class won third place in the class skits. That pride and dedication were also present in our own annual staff. We would like to thank the members for the little idiosyncrasies they had. A big thank you to:

Lydia Rodriguez - for constantly telling us she had the best boyfriend in the whole world and for pulling the index together at the last minute.

Jorge Carreon - for more than half of the copy that floated trippingly off the tongue (copy that only a mother could love).

Jimmy Delgado - for contributing such beautiful and intricate art work and for leaving our index in such a mess (we know you tried, puppy toes).

Kami Tom - for writing those beautiful captions in your curlique handwriting that no one could read.

Barbara Moralez (AKA "follow the yellow brick road") - for being willing to spend those extra hours when we needed help.

Shelly Gonzales - for her flying fingers that typed copy almost as fast as Jorge wrote it (and thank goodness for that correction key).

Dora Medina - for handling the ad section almost singlehandedly.

Lia Lopez - for solving problems that involved very strange layouts and for being the picture of health during the school year.

Ann Martinez - for being the class rowdy and helping to get the index done.

Lisa Sanchez - for taking many of the pictures (we're still wondering why there are so many more action shots of guys than we needed).

Loretta Llamb, Lamb, Baa, Cannon - for being willing to talk to our men coaches.

A special thanks to Ms. Jauregui for custom printing so many of our black and white shots and taking our pictures in so many emergency situations.

Julie B. Ellis - for always encouragingly (actually pushing) us to meet our deadlines, write our copy, and identify pictures. And for constantly telling us that she was always right. Thank you Ms. Ellis for being a true friend and always being there (especially during softball season). By the way, what does the B stand for?

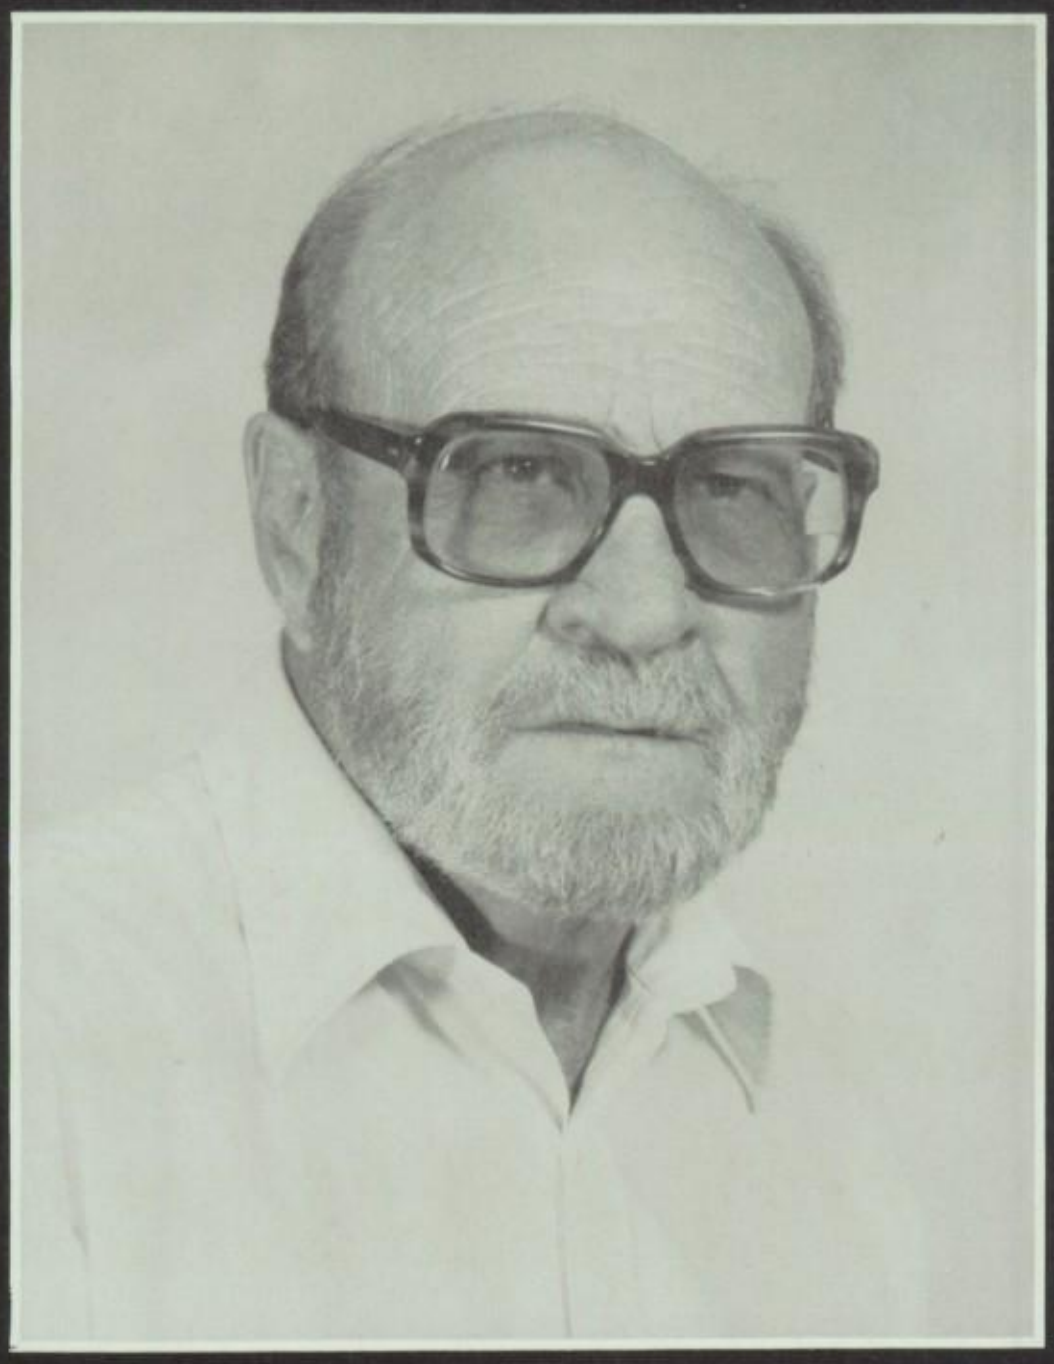
El Rancho - a great school !

Pico Rivera - a great city !

City of Pico Rivera Celebrates Silver Anniversary 1958 - 1983



In Memoriam: Jerry Leddy

Mr. Jerry Leddy will be a person long remembered by the people who knew him. Not only did he get along well with the teachers, but he had a special rapport with the students. When he taught, he joked also. Learning in his class was fun. Many of his students remember his eraser trick and fake pencil trick.

Not only was Mr. Leddy a fine teacher, but he was also a good leader. He was responsible for starting the teacher's union at El Rancho. He rallied the teachers together to form an alliance with each other. Jerry Leddy will be deeply missed by all of us at El Rancho.

In Memoriam: Pete Castaneda

Pete Castaneda was considered a very special student. His death was a shock to his teachers and friends, for many grew close and attached to him. He showed a sense of humor and a great interest in the Raiders football team. He taught courage to those who knew him. We will always remember and deeply miss Peter Castaneda.

Dear Clair ♡ Reserved for Kim Martinez ♡ Ricky + Shelley ♥

Hi Girl I'd finaly got to this annul thanks for saving this spot for me. Im so happy for you because out the best of luck for you to. You realy picked a good one. I hope you guys stay together for a long time and get maird like I told Laura: this summer's going to be bad maybe we can party over at you house when we got nothing to do. we could go over and B-day o yes ☺ does that sound pretty good with you. it does with me. Im really glad I met you Clair you realy a nice person to get along with and one of my my closest friends I hope we stay that way for a long time but I already know we are. (Hopfully) It's already been two year already. so fast I want by. imagine how fast other years are going to go by. All we five had a really good time this year I hope we never ~~~~ ever break up are relationships even though we do get into our little fights. But we realy are the best of friends will always stick together always and forever. (till the end.) through all those problemsss too and you know what I mean. All those hard breaks we have to go through too shit I don't think I can many. But I guess for our first year in High school was alright I hope it better next year. I hope more good guys come to Q.R. you know what Clair when we are old bus we need our year drooling all over the guys. But think of the good thing we still have two more years to chill at the up coming ~~~~ someone ~~or~~ like Chris. ☺ But that wont be till a long time from now. Im so happy about it's already summer vacation it went by so fast. Party down. I hope you get the car so we can go to the mulvard and Pick up on some good guys. I really hope next year go by as fast as this year did. then will already be sinor gosh it's going to go by to fast.

Claire,
Well we lasted another year in school and we only have two more to go and hopefully it will have you in some of my classes next year. We will have to go and party during the summer if you can. Keep in touch well see ya next year.

Love Kevin Stoner

(Keep in touch 949-6172)

Claire.
You a very nice, pretty, crazy person. I hope you stay that way forever. You've been a pretty good friend to me. I hope I have been the same. Good luck with whatever you do. Take care + God bless you.

P.S. Your friend

To Claire,
A friend I've known for two long years it hasn't been that long?) ever since junior high. It seems like such a long time ago. Enjoy your summer to the core.
Friends,
Jennifer

To Claire, a very cool chick
I get to know real well
we had some good times
this year is finally over
you believe it at last.
I'll see ya around. Be
in whatever you do. Good
year.
